Sen. Frank Barnitz Announces \$157,200 Grant for the City of Waynesville

JEFFERSON CITY – State Senator Frank Barnitz, D-Lake Spring, is proud to announce that the city of Waynesville has been awarded a \$157,200 grant. The Community Development Block Grant will be used to fund public infrastructure improvements in the central business district.

“These funds will allow for further improvements to Waynesville’s business climate,” Barnitz said. “This grant is a tribute to the hard work of the people of Waynesville, because they are the ones who have put forth the effort to improve their surroundings.”

Community Development Block Grants are issued by the Missouri Department of Economic Development. Block grant staffers at the Community Development division rely on communication with community leaders to determine which areas are most deserving of development grants.
