### SOCIAL SECURITY

Almost every American reaching age 65 today is eligible for Social Security benefits on that birthday. Check your eligibility with our nearest Social Security district office at least 3 months before your

65th birthday. You may apply for these benefits at age 62 if you prefer, but early payment will reduce the monthly benefit amount for the rest of your life. Your Social Security district office can give you specific personal information. Take your birth certificate and Social Security card with you when you visit the SSA office.

**MEDICARE**

People who are over 65 years of age or have been entitled to Social Security disability payments for 24 or more consecutive months are eligible for Medicare.

Medicare is a federal program that consists of two parts - hospital insurance and medical insurance. Hospital insurance helps pay the cost of inpatient hospital care as well as certain kinds of follow-up care. Medical insurance helps pay the cost of physicians' services, outpatient hospital services, and certain medical items and services not covered by hospital insurance.

People who use the medical insurance program must pay a basic monthly premium. Medicare hospital insurance is free of charge to people who are insured under Social Security.

Making informed decisions about home health or nursing homes can be difficult. Medicare has information that can help at [www.Medicare.gov](http://www.Medicare.gov) or call 1-800-Medicare.

## VOTER REGISTRATION

---

---

Voting is the right and responsibility of all qualified citizens. The only requirements are that you be at least 18 years old and that you be registered. Following is information on how to go about meeting the second requirement - getting registered.

Upon turning 17 or moving to Missouri, anyone desiring to register to vote in the state can do so by taking valid identification to a local registration location. This must be done by the 4th Wednesday prior to any election in order to vote in that particular election.

After becoming 18 and registering, you're eligible to vote in any election.

To obtain a list of the registration locations nearest you, contact the St. Louis County Board of Election Commissioners at 951-0100, or check any of the following places in your neighborhood.

- local library
- city hall or
- local school district office

If the need should arise for you to vote by absentee ballot, you can do so by mail or in person or a relative or guardian may apply for you at the county election board office, 12 Sunnen Drive, Suite 126, St. Louis, MO 63143.

Absentee ballots may be obtained if a person is absent from the county on election day, ill or disabled, has religious beliefs or practices preventing voting in person, is employed by an election authority or is in the armed forces.

Once you've applied for and received the absentee ballot, be sure to fill out all information on the envelope provided. The ballot then must be sent by mail or delivered in person to the election authority.
