The amount of the grant is determined by calculating the estimated gallons of qualified biodiesel produced during the preceding month from Missouri agricultural products, as certified by the department of agriculture, and applying such figure to the per-gallon incentive credit established in this subsection. Each Missouri qualified biodiesel producer shall be eligible for a total grant in any fiscal year equal to thirty cents per gallon for the first fifteen million gallons of qualified biodiesel produced from Missouri agricultural products in the fiscal year **plus ten cents per gallon for the next fifteen million gallons of qualified biodiesel produced from Missouri agricultural products in the fiscal year.** All such qualified biodiesel produced by a Missouri qualified biodiesel producer in excess of ~~[fifteen]~~ **thirty million** gallons shall not be applied to the computation of a grant pursuant to this subsection. 6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.
