FIRST REGULAR SESSION

FORTY-FIRST DAY—THURSDAY, MARCH 17, 2005

The Senate met pursuant to adjournment.

Senator Gross in the Chair.

Reverend Carl Gauck offered the following prayer:

“Keep your heart with all diligence, for out of it are the issues of life.” (Proverbs 4:23)

Dear God, we acknowledge that the heart is seen by us as the seat of human emotion and it does us well to search it thoroughly to make sure all is in order for we know what this coming week means for many Americans and to us and it’s time to celebrate Your victory over death. So we complete our work here and prepare to spend precious time with our families and with You and enjoy the gift of new life You offer. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

SENATE RESOLUTION NO. 714

WHEREAS, Southwest Missouri State University was founded on March 17, 1905, in Springfield, Missouri, as Missouri State Normal School, Fourth District; and

WHEREAS, Southwest Missouri State University has “Dared to Excel” for the past one hundred years; and

WHEREAS, the Southwest Missouri State University System, including its campuses in West Plains and Mountain Grove, is celebrating its Centennial year from July 1, 2004, through June 30, 2005; and

WHEREAS, during its one hundred years, the institution has successfully operated under four names, including Missouri State Normal School, Fourth District; Southwest Missouri State Teachers College; Southwest Missouri State College; and Southwest Missouri State University; and

WHEREAS, Southwest Missouri State University has “opened the door of opportunity” for countless students for the past century; and

WHEREAS, Southwest Missouri State University and its faculty, staff, and students have distinguished themselves in academics, in research, in public service, and in co-curricular activities; and

WHEREAS, since 1995, Southwest Missouri State University has been further distinguished by its statewide public affairs mission; and

WHEREAS, Southwest Missouri State University has had a profound effect on Springfield, southwest Missouri, the entire state, the nation, and the world; and

WHEREAS, Southwest Missouri State University has contributed to the economic development of the region and the state, impacting the area economy by nearly \$2 million per day; and

WHEREAS, Southwest Missouri State University has improved the quality of life for citizens in Springfield, the region, and the state; and

WHEREAS, the future is bright for Southwest Missouri State University in the 21st Century:

NOW, THEREFORE, BE IT RESOLVED that we, the members of the Missouri Senate, Ninety-third General Assembly, join unanimously to honor Southwest Missouri State University as it celebrates Southwest Missouri State University Founders Day on March 17, 2005; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for Southwest Missouri State University in Springfield.

CONCURRENT RESOLUTIONS

Senator Koster offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 12

WHEREAS, the price of natural gas in the United States,

already the highest in the industrial world, has again spiked and shows continued volatility; and

WHEREAS, the current price of natural gas is equivalent to paying \$16.00 for a gallon of milk, \$12.70 for a pound of ground beef, or \$9.21 for a gallon of gasoline; and

WHEREAS, abnormally high natural gas prices have been a \$111 billion unanticipated burden on the economy of the United States over the past 18 months; and

WHEREAS, the United States is over-reliant on natural gas in our national energy supply, creating a tremendous imbalance between natural gas supply and demand; and

WHEREAS, the manufacturers, farmers, small businesses, local governments, and retailers are struggling from skyrocketing natural gas prices. Further, thousands of jobs in these industries are threatened since many of these businesses use natural gas as a raw material as well as an energy supply; and

WHEREAS, the natural gas imbalance is not a free market problem. The high price of natural gas is created by governmental policies that increase demand for natural gas while impeding the development of a greater supply by discouraging more exploration and production. Since natural gas is domestically produced and very hard to import, the United States cannot correct the imbalance by the importation of natural gas; and

WHEREAS, the Missouri General Assembly supports a sound, rational domestic energy policy:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Third General Assembly, First Regular Session, the House of Representatives concurring therein, hereby urge the United States Congress to enact legislation in the 109th Congress establishing a domestic energy policy that will ensure an adequate supply of natural gas and the appropriate infrastructure. Such energy policy should develop a concerted national effort to promote greater energy efficiency and open promising new areas for environmentally responsible natural gas production; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for the President of the United States, the Speaker of the United States House of Representatives, and each member of the Missouri Congressional Delegation.

OBJECTIONS

Senator Coleman offered the following constitutional objection:

March 17, 2005

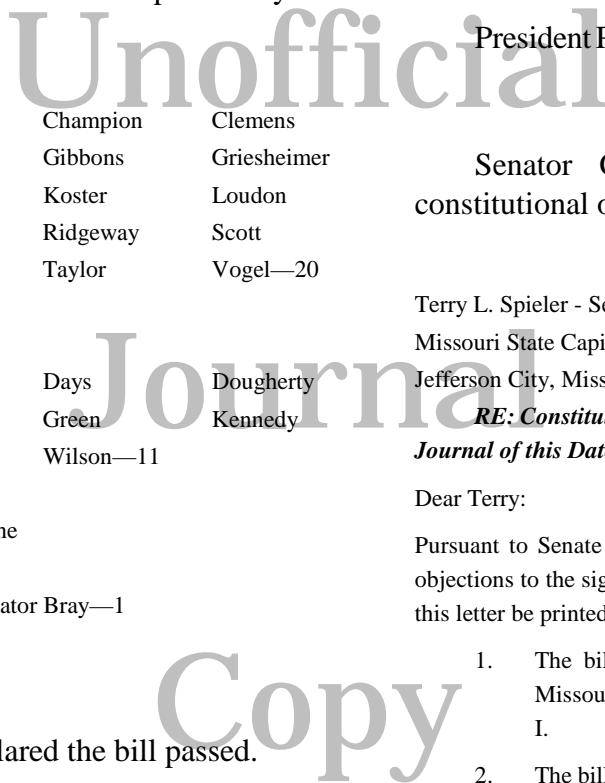

Terry L. Spieler - Secretary of the Missouri Senate
Missouri State Capitol, Room 325
Jefferson City, Missouri 65101

RE: Constitutional Objections to be Included in the Senate Journal of this Date.

Dear Terry:

Pursuant to Senate Rule 68, please let this serve as my written objections to the signing of CCS/SS/SCS/HCS/HB 393. I ask that this letter be printed in the journal. My objections are as follows:

1. The bill violates the open courts provision of the Missouri Constitution contained in section 14 of article I.
2. The bill violates the constitutional mandate of section 5 of article V of the Missouri Constitution that the rules of practice and procedure of the courts of justice are to be established by the Missouri Supreme Court not the Missouri General Assembly.
3. The bill contains more than one subject in violation of section 23 of article III of the Missouri Constitution in that it contains provisions relating not for profit corporations (chapter 355), legal tender and interest (chapter 408), evidence (chapter 490), venue (chapter

508), pleadings (chapter 510), appeals and appellate procedure (chapter 512), costs in civil cases (chapter 514), statutes of limitation (chapter 516), torts and actions for damages (chapter 537), and tort actions based upon improper health care (chapter 538).

4. The bill violates section 23 of article III of the Missouri Constitution in that the subject of the bill was not clearly expressed in the title. According to the title of CCS/SS/SCS/HCS/HB 393, the bill relates to "claims for damages and the payment thereof." This title clearly fails to encompass all of the subjects described in paragraph 3 of this letter.

I ask that these objections be attached to the bill. Thank you.

Sincerely,
/s/ Maida J. Coleman
Maida J. Coleman
Minority Floor Leader
