FIRST REGULAR SESSION

THIRTY-SECOND DAY—WEDNESDAY, MARCH 2, 2005

The Senate met pursuant to adjournment.

Senator Ridgeway in the Chair.

Reverend Carl Gauck offered the following prayer:

“For you have not received the spirit of bondage, whereby we cry, Abba, Father.” (Romans 8:5)

Heavenly Father let us never be afraid to kneel before You and confess our need of Your help and forgiveness. In times of sorrow and hurts, troubles and heartaches and especially those times we have failed You, help us to remember that You are truly our Father and we are Your children. Let us with boldness and confidence ask as dear children to trust always in Your love and mercy and find grace in times of need. And may we love You with childlike affection all the days of our lives. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

body politic or municipal corporation, by petition or complaint in writing, **alleging that a public utility’s rates are excessive, or otherwise** setting forth any act or thing done or omitted to be done by any corporation, person or public utility, including any rule, regulation or charge heretofore established or fixed by or for any corporation, person or public utility, in violation, or claimed to be in violation, of any provision of law, or of any rule or order or decision of the commission[; provided, that no complaint shall be entertained by the commission, except upon its own motion, as to the reasonableness of any rates or charges of any gas, electrical, water, sewer, or telephone corporation, unless the same be signed by the public counsel or the mayor or the president or chairman of the board of aldermen or a majority of the council, commission or other legislative body of any city, town, village or county, within which the alleged violation occurred, or not less than twenty-five consumers or purchasers, or prospective consumers or purchasers, of such gas, electricity, water, sewer or telephone service].

6. **If the complaint alleges that a public utility's rates are excessive, the public utility shall, within thirty days or such lesser time as may be prescribed by the commission, file a bond or undertaking approved by the commission conditioned upon the refund in a manner prescribed by the commission of amounts collected after the date of filing of the petition in excess of rates and charges finally determined by the commission to be lawful, with interest thereon at the legal rate. If, upon hearing, the commission finds that the public utility's rates are unlawful, the commission shall order a refund, with interest, at the legal rate of amounts collected after the date of filing of the petition that are determined to be in excess of the amounts which would have been collected under the rates finally approved. In any hearing upon a complaint brought under this subsection, the complainant or complainants shall have the obligation to present evidence to preliminarily support the alleged overcharge; provided, however, that the burden of proof to show that the existing rate or the rate complained against is just and reasonable at all times shall be upon the public utility.**
