

Senator Scott T. Rupp Receives Missouri Farm Bureau Friend of Agriculture Award

JEFFERSON CITY — Senator Scott T. Rupp, R-Wentzville, today was pleased to announce that he was recently awarded the 2006 Missouri Farm Bureau Friend of Agriculture Award.

“It is a pleasure to work with Farm Bureau representatives, and I am honored that they have taken the time and effort to recognize me with this esteemed award,” Rupp said. “The Missouri Farm Bureau has an established record of serving rural Missouri and our state as a whole, and I thank them for this kind gesture.”

The award is in recognition of Rupp’s working relationship with county Farm Bureau organizations and his support of important legislation in 2005 and 2006. Rupp also received the award in 2004.

Formed in 1915, the Missouri Farm Bureau is an established voice of Missouri farmers. The bureau is organized at the grass-roots level, with offices in each Missouri county.
