Senator Green Announces Community Services Directory Now Available Online

Visit: www.senate.mo.gov/green/csd

Jefferson City, MO – Senator Timothy P. Green (D-Spanish Lake) announced today that the 2006 Community Services Directory for the 13th Senatorial District is now available online at: www.senate.mo.gov/green/csd. The directory provides quick reference to local and state services, including counseling, employment, housing, taxes and health care resources.

“My new online directory is designed to quickly link constituents to the services and information they may be seeking,” Sen. Green said. “And having the directory in electronic form allows us to quickly and easily update the listings.”

Also included are listings for local, state and federal elected officials. Sen. Green said a printed copy of the 2006 Community Services Directory will be available later this year.

For other online information regarding the 13th District, go to www.senate.mo.gov/green
