JEFFERSON CITY – State Senator Frank Barnitz, D-Lake Spring, has announced that Jonathan Bertz, a native of Salem, is his legislative intern for this legislative session, the Second Regular Session of the 93rd Missouri General Assembly.

“Jonathan is a real asset to our office,” said Senator Barnitz, whose 16th Senatorial District includes Salem. “With him being from the district, and his past work experience and education, Jonathan performs duties that benefit our office and constituents.”

Bertz, the son of Dr. Wayne Bertz of Salem and Ms. Christina S. Bertz of St. Ann, is a senior majoring in political science at the University of Missouri–Columbia. He is earning college credit for working two days each week in Senator Barnitz’s office throughout the legislative session.
