JEFFERSON CITY—Mark E. Skrade, Psy.D., appeared before the Senate Gubernatorial Appointment Committee on Wednesday, May 3, 2006.

Governor Matt Blunt had nominated Dr. Skrade as a member of the Missouri Area Health Education Centers Council, and Senator Dan Clemens had sponsored his nomination.

“Dr. Skrade is well qualified for this position with his educational background and outstanding achievements in the psychological field,” Sen. Clemens said. “He is also commended for his service to our country by serving in the United States Navy.”

The rest of the Senate committee approved his appointment unanimously after the chairman, Senator Michael Gibbons, requested consent of his nomination. Dr. Skrade currently resides in Rogersville with his wife, Jami Skrade, M.D., MBA, and their two children.
