Senator Bill Stouffer Announces Grant for Pilot Grove

JEFFERSON CITY – State Sen. Bill Stouffer, R-Napton, today announced that the city of Pilot Grove has been awarded a development grant from the Missouri Department of Economic Development. The \$118,238 in funding will go toward senior-housing rehabilitation.

“This grant will provide vital financial support to benefit Pilot Grove seniors,” Stouffer said. “I applaud the citizens of Pilot Grove for taking advantage of this opportunity to improve their infrastructure.”

The Community Development Block Grant Program (CDBG) offers grants to small Missouri communities to improve local facilities, address critical health and safety concerns, and develop a greater capacity for growth. It offers funds for projects ranging from housing and street repairs to industrial loans and job training.
