Senator Bill Stouffer Announces State Funding for Brunswick Day Care Center

JEFFERSON CITY – State Sen. Bill Stouffer, R-Napton, today announced that a local organization has been approved for funding from the Missouri Department of Economic Development. The Chariton County Community Foundation will receive \$61,187 in tax credits through the Neighborhood Assistance Program. The funds will be used to build a double-wide facility to serve as a day care center in Brunswick.

“Congratulations to the Chariton County Community Foundation for making the effort to obtain funding for such a valuable community resource,” Stouffer said. “By creating a safe place for working parents to send their children, all of Brunswick and the surrounding areas will benefit.”

The Missouri Neighborhood Assistance Program provides assistance to enable community-based organizations to implement community or neighborhood projects in the areas of community service, education, crime prevention, job training and physical revitalization.
