Sen. Rob Mayer Announces Senate Committee Approval of Gubernatorial Appointees

JEFFERSON CITY – Sen. Rob Mayer, R-Dexter, today announced that the Senate Gubernatorial Appointments Committee this week approved the nomination of two members of the 25th District for state bodies. A full Senate vote will conclude the appointment process.

Wayne Jean of Dexter received committee support for the Missouri State Board of Accountancy. Baughn Merideth of Caruthersville was approved for the Missouri Soil and Water District Commission.

“Both of these accomplished members of the 25th District have earned the right to hold these esteemed positions,” Mayer said. “I congratulate both Mr. Jean and Mr. Merideth on their appointments.”

Jean is a certified public accountant with Jean and Company, LLC, in Dexter. He is also a member of the Dexter Rotary Club and the American Institute of Certified Public Accountants.

Merideth is co-owner and operator of Merideth Farms Inc. He is a member of the Missouri Clean Water Commission and the University of Missouri Delta Center Advisory Board.

The heads of many state agencies, commissions and boards are appointed by the governor. Gubernatorial appointees then work with their state senator, who serves as a sponsor in the confirmation process, which begins before the Senate’s Gubernatorial Appointments Committee and concludes with a consenting vote by the full Senate.
