Missouri Senate Recognizes Economic Contribution of Cape Girardeau Restaurant

JEFFERSON CITY— Sen. Jason Crowell, R-Cape Girardeau, today announced that the Missouri Senate adopted a resolution honoring Joey’s Seafood & Grill of Cape Girardeau for its exemplary role in the state and local entrepreneurial industry.

The “fast casual” restaurant was selected by the Missouri Small Business Development Centers, the Missouri Procurement Technical Assistance Centers and the Missouri Small Business Technology Development Centers as a leading example of outstanding business management and entrepreneurial achievements.

“Small businesses, such as Joey’s Seafood and Grill, are vital components to Missouri’s economy, at the state and local level,” Crowell said. “I extend to them my congratulations on behalf of the 27th Senate District for their successful efforts to do business in the Show-Me State.”

Crowell attended a Business Showcase and Legislative Breakfast this morning to meet with small business owners, including Stephen and Catherine Mills, who own Joey’s Seafood & Grill. The Mills’ restaurant will be opening in the next month.
