Bridges and Highways for Southeast Missouri

Earlier this week, Missouri Department of Transportation Director Pete Rahn delivered the annual State of Transportation address. Leading the department under the motto that, “Dreams minus action equals squat,” MoDOT is “making progress we can feel.”

He commended MoDOT’s efforts over the past year to improve Missouri’s transportation system and said that Missourians can expect further advancements in 2006. Under the Smooth Roads Initiative, MoDOT is repaving more than 2,000 miles of roads, widening and adding lanes, putting rumble strips on shoulders and updating guardrails. These improvements go hand in hand with MoDOT’s number one priority of ensuring motorists’ safety.

Below is a list of road construction projects that MoDOT will undertake in the 27th Senatorial District in 2006.

2006 Projects Planned by MoDOT in the 27th Senatorial District

Perry, Cape Girardeau & Scott Counties

I-55
 Diamond grind pavement and resurface shoulders on both northbound and southbound lanes from Jefferson County to Arkansas state line.

Cape Girardeau County

I-55
 Construct East Main Street/ LaSalle Avenue/ I-55 interchange 2.4 miles north of Route 34 & 61.

Route 34
