## **Sen. Crowell Welcomes Cape Christian 4<sup>th</sup> Graders to the Capitol**

JEFFERSON CITY— Sen. Crowell, R-Cape Girardeau, last week welcomed to the Capitol fourth-graders from Cape Christian School. Each year, Sharon Gentry brings her fourth-grade class to Jefferson City so the students can see for themselves the workings of state government.

“Visiting with school groups is one of my favorite things I get to do as a State Senator. Their excitement and interest is so genuine that it makes it a lot of fun to be around them,” Crowell said.

The students, their teacher, and several parents visited both the Senate and House chambers, the Governor’s office and mansion, the Lieutenant Governor’s office, the whispering gallery and dome, and toured the Supreme Court Building where they met Justice Stephen Limbaugh.
