Sen. Crowell Welcomes Chaffee Fourth-Graders to the Capitol

JEFFERSON CITY- Sen. Crowell, R-Cape Girardeau, today welcomed to the Capitol fourth-graders from Chaffee Elementary. This year was the school's second annual trip to the Capitol.

"It's so fun to see the excitement in their eyes when they see the Capitol for the first time," Crowell said. "It really makes what they are learning in the classroom about government come alive."

About 43 students, teachers, and several parents toured the Capitol, the Supreme Court, and the Governor's Mansion.
