Missouri Judges Honor Sen. Crowell

The Missouri Association of Probate & Associate Circuit Judges recently presented State Sen. Jason Crowell, R-Cape Girardeau, with an award for his outstanding contributions to the administration of justice.

“I am very appreciative for receiving such an honorable recognition from such an honorable organization,” Crowell said. “I have worked closely with the Association over the years to ensure that the best interests of judges, commissioners and judiciary clerks are represented in the Missouri Senate.”

In the 2005 session, Crowell was instrumental in reforming Missouri’s system of civil liability to prevent outrageous jury awards from unfairly tipping the scales of justice.

“I will continue to fight for legislation that is in the name of justice for Missourians,” Crowell said.
