Dear Friends,

I am pleased to bring you the 2007 Community Services Directory. I have included several new telephone numbers, and I hope you will find it to be a quick and easy reference in locating city, county, state and federal telephone numbers and addresses.

Our community is fortunate to have many organizations offering assistance to our residents, and I regret that we cannot list every one. Please note that inclusion in this directory does not imply endorsement, nor does any omission imply a lack of endorsement.

It is my privilege to represent you in the Missouri Senate. If you have questions or concerns regarding state government or legislation, please do not hesitate to contact me.

Very truly yours,

Harry Kennedy

▼ SOCIAL SECURITY ▼

Almost every American reaching age 65 today is eligible for Social Security benefits on that birthday. Check your eligibility with the nearest Social Security district office. Check at least 3 months before your 65th birthday. You may apply for these benefits at age 62 if you prefer, but early payment will reduce the monthly benefit amount for the rest of your life. Your Social Security district office can give you specific personal information. Take your Social Security card with you when you visit the SSA Office. The address of the closest SSA office is:

- Social Security Administration Office** 1-800-772-1213
- For zip codes 63109, 63111, 63116, 63123 and 63125

The Social Security office also makes determinations on claims for disability benefits. It pays benefits to people who are totally disabled either permanently or temporarily if they have worked five of the last ten years.

A new program has taken the place of the federal-state programs of public assistance payments to the aged, blind or disabled. You may apply for this assistance, called "supplemental security income payments," at the SSA office.

★ MILITARY FAMILY RELIEF FUND

Our Military Families have answered our call, now we must answer theirs. Our military families send their loved ones into harm’s way, and often lose a major source of income. We need to help them make difficult times easier. The legislation I fought to pass for over 2 years directly assists our military personnel and their families because contributions are voluntary. No additional tax dollars are spent. I have great faith that the people of Missouri will respond generously.

State tax deductible contributions may be made to the Missouri Military Family Relief Fund through direct donations, memorials, honorariums or by planning events to benefit the program, which supports Guard and Reserve members who have been deployed for the Global War on Terror and their families if they face unforeseen financial crisis.

Contributions may be sent to:

Missouri Military Family Relief Fund
2302 Militia Dr.
Jefferson City, MO 65101

To plan an event to benefit Missouri’s Guard and Reserve, please contact Pat Rowe Kerr at pat.kerr@mvc.dps.mo.gov or 573-462-9531.

PROPERTY TAX RELIEF

The Missouri Department of Revenue administers two real estate assistance programs for qualified senior citizens and 100 percent disabled individuals, the **Missouri Property Tax Credit Claim (MO-PTC)** and the **Homestead Preservation Tax Credit (HPC)**. If you own and occupy your home, but your income restricts you from qualifying for the MO-PTC, you may be eligible for the HPC. You can only receive **ONE** of the credits. You should determine which tax credit program is more beneficial to you before you file for either credit. Please review the charts on the next 2 pages. For more information regarding property tax relief, contact the Missouri Department of Revenue at **573-751-3505** or access www.dor.mo.gov.
