

Sen. Green Announces New In-District Director

Sen. Timothy Green, D-Spanish Lake today announced his new In-District Director Marian A. Qualls-Nelson.

In addition to her new responsibilities for Sen. Green, Marian Qualls-Nelson works as an IT Project Manager in the healthcare industry for Express Scripts, Inc. She's active in the North County community through her involvement in the Alpha Kappa Alpha Sorority, Inc., the National Black MBA Association and her church, Shalom Church City of Peace.

"This is an opportunity to make a constructive contribution to our community," said Mrs. Nelson, "I will work hard at meeting the senator's expectations; a few of my responsibilities will include providing information on the multitude of state services provided by our tax dollars, assisting Sen. Green's constituents with their assorted problems, and representing Sen. Green at various functions."

A graduate of Rosati-Kain High School in 1992, Marian received her Bachelor's degree in Management Information Systems from Maryville University and her Master's in Business Administration from the University of Missouri – Saint Louis. Marian was awarded the Salute to Business for Achievement Award for 2006 from UMSL and is an honorary participant in the CORO Women in Leadership Program.

Marian resides in Florissant with her husband Darron and her daughter Amirah.

"Marian will complement the terrific team I have in Jefferson City," said Sen. Green, "I look forward to great things from this fine team of talented, energetic and capable professionals."

Marian will advise Sen. Green on his activities in the district, provide a staff presence at in-district events and will take care of constituent issues in the district.

Earlier today, Sen. Green announced the retirement of Rosemary Cira, who has dedicated 17 years to public service. Rosemary became active in politics in the 1960s after becoming the in-district administrator for State Representative Fred Brummel, served as the in-district assistant for former State Senator John Schneider for over fifteen years, and formerly served as in-district director for Senator Green for the last two years.
