# Sen. Frank Barnitz Meets Rolla High School Art Students

---

JEFFERSON CITY- Sen. Frank Barnitz, D-Lake Spring, recently welcomed a group of art students from the 16<sup>th</sup> District to the state Capitol. The Rolla High School students were participating in the Youth Arts Month and Fine Arts Education Day festivities on March 6.

Three art students received recognition for their participation in the Youth Month Art Exhibit, which was displayed from March 1-10 in the Rotunda area. They also had the chance to meet with Sen. Barnitz and see the Senate.

“I am pleased I was able to speak with the art students from Rolla High and I enjoyed viewing their artwork while it was on display at the Capitol,” said Barnitz. “These students are very talented and deserve recognition for their hard work.”

Missouri Fine Arts Education Day, sponsored by the Missouri Alliance for Arts Education, is held to educate state lawmakers on the importance of supporting fine arts education in Missouri schools. The Missouri Alliance for Arts Education works to develop and implement a statewide comprehensive arts education plan to make the arts a basic part of Missouri education.

“The arts are an important part of the schools in our district, and I support the work of the Missouri Alliance for Arts Education,” said Barnitz
