Sen. Frank Barnitz Meets Members of the Missouri State Teachers Association

JEFFERSON CITY – Sen. Frank Barnitz, D-Lake Spring, recently welcomed a visit from three active members of the 16th District. Valerie Moats, Julie Weems, and Anna Marie Kulback of the South Central Region of the Missouri State Teachers Association (MSTA) met with Sen. Barnitz on March 7, 2007.

“These women are leaders in education and I am proud of their efforts and accomplishments,” Barnitz said. “They are experienced educators who are focused on improving education in Missouri.”

The three educators are Waynesville residents and active in the South Central Region of MSTA. Moats serves as president of State MSTA and has been an educator for 26 years. Previously, she served as Vice President and President-Elect. Kulback is the South Central Region President and has been in education for 25 years. She has served the South Central Region as Vice President, President Elect and as State Executive Board Member. Weems is a member of the South Central Region’s Executive Committee and is a seventh grade science teacher at Waynesville Middle School.

“I enjoyed discussing important educational issues with the teachers from Waynesville,” Barnitz said. “Their work is admirable and I encourage them to keep doing good things for students in Missouri.”
