Senate Confirms Gubernatorial Appointee from 20th District

JEFFERSON CITY— Sen. Dan Clemens, R-Marshfield, announced today that the Senate unanimously confirmed the appointment of Gary A. Fraker to serve on the State Board of Embalmers and Funeral Directors.

Fraker has had over thirty years of experience in the funeral industry and was formerly the Webster County Coroner from 1973-1985. He currently owns and operates Fraker Memorial Funeral Home, Inc. in Marshfield.

The governor appoints members of many state agencies, commissions and boards. Appointees then work with their state senator, who acts as a sponsor in the process of confirmation, which begins before the Senate's Gubernatorial Appointments Committee and concludes with a consenting vote by the full Senate. Clemens today presented Fraker to the Senate, and he received unanimous approval.
