# Senator Bill Stouffer Congratulates Intern on Job During Legislative Session

---

JEFFERSON CITY—Senator Bill Stouffer, R-Napton, today congratulates his intern, Allison Staples of Sweet Springs, on her work during the legislative session.

Staples, daughter of Mr. and Mrs. Doug and Paula Staples, graduated from Sweet Springs High School in 2003. She is currently a senior, working on a degree in interdisciplinary studies at the University of Missouri-Columbia.

During her internship, Staples guided school tours through the state capitol, handled courtesy resolutions, answered phones and performed other various duties that helped Sen. Stouffer's office run more efficiently for the citizens of rural Missouri.

"Allison processes a willingness to take on any task," Sen. Stouffer said. "Her willingness to learn all facets of the legislative process made her an excellent legislative intern."

Staples was particularly interested in social welfare legislation in the General Assembly.

"I believe any type of service done for our government is in turn a service to our country," Staples said. "I'm always looking for ways to learn as much as I can about all levels of government, from state all the way up to the federal level."

Sen. Stouffer accepts applications for legislative interns throughout the year. For more information about future internship possibilities, contact Sen. Stouffer at his Capitol office at (573) 751-1507 or toll free at (866) 768-3987.
