Sen. Ryan McKenna to Serve on Important Senate Committees

JEFFERSON CITY —Senate President Pro Tem Michael R. Gibbons, R-Kirkwood, this week announced committee assignments and has appointed Sen. Ryan McKenna, D-Crystal City, to serve on four important Senate committees.

McKenna will be serving on the following panels: the Senate Economic Development, Tourism and Local Government Committee; the Senate Pensions, Veterans' Affairs and General Laws Committee; the Senate Transportation Committee; and the Ways and Means Committee.

McKenna's committee positions allow him to be directly involved in a crucial part of the legislative process for many important issues this year.

"I am very pleased with my committee assignments," McKenna said. "The residents of Jefferson County will now have a distinct voice early on in the legislative process as we address infrastructure needs, increase road safety and quality, refine tax-related policies and secure funding for our veterans homes."

McKenna was elected to the Missouri Senate in November after having served in the House of Representatives, where he was known for his commitment to making Missouri roads safer.
