Sen. Crowell To Take Part in the Groundbreaking of Career Center Project

Sen. Jason Crowell, R-Cape Girardeau, announced today he will be speaking at the groundbreaking ceremony for the Cape Girardeau Career & Technology Center's expansion project, which takes place Friday, Jan. 26 at 1:30 p.m. Last year, Sen. Crowell secured \$750,000 to expand the facilities to accommodate for increased enrollment.

"The funding goes toward a very significant construction project, which will help create jobs and increase educational opportunities in Southeast Missouri," Crowell said. "I am excited to participate in the groundbreaking of this project because I know the results will be beneficial to students, members of the labor force and employers in the area."

The ceremony Friday marks the beginning of the construction of a 9,600-square-foot electrical shop and classroom building east of the current school. The classrooms will be used for industry training and community education programs.

CEREMONY DETAILS:

WHEN: 1:30 p.m., Friday, Jan. 26, 2007

**WHERE: Career and Technology Center
1080 S. Silver Springs Rd.
