## Senator Jason Crowell Welcomes Farm Bureau Groups to the Capitol

---

JEFFERSON CITY – State Sen. Jason Crowell, R-Cape Girardeau, recently welcomed to the Capitol three groups of students from the 27<sup>th</sup> District. Groups from Perry County, Cape County, Madison County, and Bollinger County came to experience first-hand the events in the Capitol while learning about the legislative process.

“I am pleased that I was able to speak with the students from Perry, Madison, Cape, and Bollinger Counties,” said Sen. Crowell. “Their enthusiasm for both the legislature and farming is encouraging and I know the future of agriculture is in good hands with these students.”
