Senator Jason Crowell Welcomes St. Vincent DePaul School to State Capitol

JEFFERSON CITY – State Sen. Jason Crowell, R-Cape Girardeau, welcomed a group of students from St. Vincent DePaul in Cape Girardeau to the Capitol in Jefferson City on March 29, 2007.

“I had a great time showing the students their state government in action,” Crowell said. “It’s a long trip up here and we always try to make it worth the visit by showing them as much of the Capitol as possible.”

The students viewed House and Senate debate, visited with Sen. Crowell, toured the Capitol, and also had opportunity to visit the Governor’s Mansion.
