Senator Jason Crowell Welcomes Alma Schrader School to State Capitol

JEFFERSON CITY- Senator Jason Crowell (R-Cape Girardeau) welcomed sixth graders from Alma Schrader School in Cape Girardeau to the Capitol in Jefferson City on May 2, 2007.

Realizing that public education is essential to a successful economic future, Senator Crowell took time to teach the students first-hand about the legislative process as they sat in the Missouri Senate. After visiting with the senator, the students were able to observe debate in both the House and Senate and tour the archives, Governor's mansion, and Supreme Court.

Students from Alma Schrader pose with Sen. Crowell on the Senate Dais.
