Sen. Jason Crowell Receives the *St. Louis Business Journal's* Legislative Award

JEFFERSON CITY— Sen. Jason Crowell (R-Cape Girardeau) will be honored with a legislative award for his work during the 2007 legislative session. Sen. Crowell will receive special recognition in the June 15 edition of the *St. Louis Business Journal*.

“I am honored to receive this honor from the *St. Louis Business Journal*,” said Sen. Crowell.

The journal honors lawmakers with legislative awards for addressing the concerns and business interests of Missouri. A section of the June 15th edition of the magazine will feature the recipients of the award.

“As an elected official, I do my best to represent the interest of all of my constituents,” said Sen. Crowell. “The goal of each bill we pass in the Senate is to make Missouri a better place to live, work, and do business.”
