14 3. In the event any portion of this chapter is found in noncompliance with Title 23,
15 United States Code, section 131, by the Secretary of Transportation or his representative, and any
16 portion of federal-aid highway funds or funds authorized for removal of outdoor advertising are
17 withheld, or declared forfeited by the Secretary of Transportation or his representative, all
18 removal of outdoor advertising by the Missouri state highways and transportation commission
19 pursuant to this chapter shall cease, and shall not be resumed until such funds are restored in full.
20 Such cessation of removal shall not be construed to affect compensation for outdoor advertising
21 removed or in the process of removal pursuant to this chapter.

23 signs within an area subject to control by a local zoning authority and wherever located within
24 such area shall be subject to reasonable regulations of that local zoning authority relative to size,
25 lighting, spacing, and location; provided, however, that no local zoning authority shall have
26 authority to require any sign within its jurisdiction which was lawfully erected and which is
27 maintained in good repair to be removed without the payment of just compensation.

28 **5. When a legally erected billboard exists on a parcel of property, a local zoning**
29 **authority shall not adopt or enforce any ordinance, order, rule, regulation or practice that**

227.103. 1. Notwithstanding any other provision of law to the contrary, the
2 commission is authorized to accept an annual bid bond for its construction and
3 maintenance projects. The commission shall prescribe the form and content of an annual

5 highway construction, or its successor.

6 2. The commission is authorized to promulgate administrative rules to administer
7 the provision in this section. Any rule or portion of a rule, as that term is defined in section
8 536.010, RSMo, that is created under the authority delegated in this section shall become

10 RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are
11 nonseverable and if any of the powers vested with the general assembly pursuant to
12 chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule
13 are subsequently held unconstitutional, then the grant of rulemaking authority and any
14 rule proposed or adopted after August 28, 2007, shall be invalid and void.

227.107. 1. Notwithstanding any provision of section 227.100 to the contrary, as an
2 alternative to the requirements and procedures specified by sections 227.040 to [227.100]

5 commission by this section shall be limited to a total of three design- build project contracts.
6 Two design-build projects authorized by this section shall be selected by the highways and
7 transportation commission from 1992 fifteen year plan projects. Authority to enter into
8 design-build projects granted by this section shall expire on July 1, 2012, unless extended by
9 statute or upon completion of three projects, whichever is first.

10 2. For the purpose of this section a "design-builder" is defined as an individual,
11 corporation, partnership, joint venture or other entity, including combinations of such entities
12 making a proposal to perform or performing a design-build highway project contract.

13 3. For the purpose of this section, "design-build highway project contract" is defined as
14 the procurement of all materials and services necessary for the design, construction,
15 reconstruction or improvement of a state highway project in a single contract with a
16 design-builder capable of providing the necessary materials and services.

17 4. For the purpose of this section, "highway project" is defined as the design,
18 construction, reconstruction or improvement of highways or bridges under contract with the state
19 highways and transportation commission, which is funded by state, federal or local funds or any
20 combination of such funds.

21 5. In using a design-build highway project contract, the commission shall establish a
22 written procedure by rule for prequalifying design-builders before such design-builders will be
23 allowed to make a proposal on the project.

24 6. In any design-build highway project contract, whether involving state or federal funds,
25 the commission shall require that each person submitting a request for qualifications provide a
26 detailed disadvantaged business enterprise participation plan. The plan shall provide information
27 describing the experience of the person in meeting disadvantaged business enterprise
28 participation goals, how the person will meet the department of transportation's disadvantaged
29 business enterprise participation goal and such other qualifications that the commission considers
30 to be in the best interest of the state.

31 7. The commission is authorized to issue a request for proposals to a maximum of five
32 design-builders prequalified in accordance with subsection 5 of this section.

33 8. The commission may require approval of any person performing subcontract work on
34 the design-build highway project.

35 9. The bid bond and performance bond requirements of section 227.100 and the payment
36 bond requirements of section 107.170, RSMo, shall apply to the design-build highway project.

37 **10. The requirements of subsection 9 of this section may be modified by the**
38 **commission for any design-build highway project contract which is designated by the**
39 **commission as a "design-build-finance-maintain" project. For such projects, the**
40 **commission shall require the design-builder to provide or cause to be provided such bonds**
41 **in such terms, durations, and amounts as it may determine to be adequate for its protection**
42 **and provided by a surety or sureties satisfactory to the commission, including but not**
43 **limited to:**

44 **(1) A bid or proposal bond in an amount of not less than five million dollars;**

45 **(2) A performance bond or bonds for the construction period specified in the**
46 **design-build highway project contract in an amount of not less than the maximum cost of**
47 **construction work performed or caused to be performed by the design-builder in any**
48 **calendar year of such period and applicable for each year of such period; and**

49 **(3) A payment bond or bonds that shall be enforceable under section 522.300,**
50 **RSMo, for the protection of all persons supplying labor and material in carrying out the**
51 **work provided for in the design-build highway project contract. The amount of the**
52 **payment bond or bonds shall equal the total amount payable under the terms of the design-**
53 **build highway project contract unless the commission determines in writing supported by**
54 **specific findings that a payment bond or bonds in such amount is impractical, in which**
55 **case the commission shall establish the amount of the payment bond or bonds; except that**

56 **the amount of the payment bond or bonds shall not be less than the amount of the**
57 **performance bond or bonds.**

58 [10.] **11.** The commission is authorized to prescribe the form of the contracts for the
59 work.

60 [11.] **12.** The commission is empowered to make all final decisions concerning the
61 performance of the work under the design-build highway project contract, including claims for

64 procurement of architectural, engineering or land surveying services for the design-build
65 highway project, except that any person providing architectural, engineering or land surveying
66 services for the design-builder on the design-build highway project must be licensed in Missouri
67 to provide such services.

69 design-builders who submit a proposal, but are not awarded the design-build highway project.

70 [14.] **15.** The commission shall comply with the provisions of any act of congress or any
71 regulations of any federal administrative agency which provides and authorizes the use of federal
72 funds for highway projects using the design-build process.

73 [15.] **16.** The commission shall promulgate administrative rules to implement this
74 section or to secure federal funds. Such rules shall be published for comment in the Missouri
75 Register and shall include prequalification criteria, the make-up of the prequalification review
76 team, specifications for the design criteria package, the method of advertising, receiving and
77 evaluating proposals from design-builders, the criteria for awarding the design-build highway
78 project based on the design criteria package and a separate proposal stating the cost of
79 construction, and other methods, procedures and criteria necessary to administer this section.

80 [16.] **17.** The commission shall make a status report to the members of the general
81 assembly and the governor following the award of the design-build project, as an individual
82 component of the annual report submitted by the commission to the joint transportation oversight
83 committee in accordance with the provisions of section 21.795, RSMo. The annual report prior
84 to advertisement of the design-build highway project contracts shall state the goals of the project
85 in reducing costs and/or the time of completion for the project in comparison to the
86 design-bid-build method of construction and objective measurements to be utilized in
87 determining achievement of such goals. Subsequent annual reports shall include: the time
88 estimated for design and construction of different phases or segments of the project and the
89 actual time required to complete such work during the period; the amount of each progress
90 payment to the design-builder during the period and the percentage and a description of the
91 portion of the project completed regarding such payment; the number and a description of design

92 change orders issued during the period and the cost of each such change order; upon substantial

94 costs for design and construction; and such other measurements as specified by rule. The annual
95 report immediately after final completion of the project shall state an assessment of the
96 advantages and disadvantages of the design-build method of contracting for highway and bridge
97 projects in comparison to the design-bid-build method of contracting and an assessment of
98 whether the goals of the project in reducing costs and/or the time of completion of the project
99 were met.

100 [17.] **18.** The commission shall give public notice of a request for qualifications in at
101 least two public newspapers that are distributed wholly or in part in this state and at least one
102 construction industry trade publication that is distributed nationally.

103 [18.] **19.** The commission shall publish its cost estimates of the design-build highway
104 project award and the project completion date along with its public notice of a request for
105 qualifications of the design-build project.

106 [19.] **20.** If the commission fails to receive **statements of qualifications from at least**
107 **two design-builders in response to a request for qualifications under subsection 5 of this**
108 **section or to receive** at least two responsive submissions from design-builders considered
109 qualified[, submissions shall not be opened and it shall] **for a design-build highway project**
110 **contract, the design build procurement process shall be suspended and the commission**
111 **may** readvertise the project.

112 **21. Notwithstanding the provisions of subsection 20 of this section to the contrary,**
113 **the commission may use the following procurement process for a design-build highway**
114 **project contract which is not designated by the commission as a "design-build-finance-**
115 **maintain" project:**

116 **(1) In the event the commission issues a request for qualifications under subsection**
117 **5 of this section at least twice for such design-build highway project contract, and it**
118 **receives a statement of qualifications from only one design builder for such contract, the**
119 **commission may negotiate in good faith with the design-builder for such contract based**
120 **upon the best value to the state;**

121 **(2) In the event the commission issues a request for proposals under subsection 7**
122 **of this section at least twice for such design-build highway project contract, and it receives**
123 **only one responsive submission for such contract, the commission may negotiate in good**
124 **faith with the design-builder for such contract based upon the best value to the state;**

125 **(3) At any time prior to the execution of the design-build highway project contract**
126 **with the design-builder under this subsection, if the commission is not satisfied with the**

127 results of the negotiations with the design-builder, it may terminate the negotiations and

9 to be made pursuant to this chapter or chapter 306, RSMo, shall constitute a certification
10 by the person making or filing such declaration, statement, or other document, or copy
11 thereof, that the statements contained therein are true and that any copy filed is a true
12 copy.

78 or upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued
79 for such vehicle shall be returned to the highways and transportation commission and shall not
80 be valid for operation of such vehicle, or the plate may be transferred to a replacement vehicle
81 when the owner files a supplemental application with the Missouri highways and transportation
82 commission for the registration of such replacement vehicle. If a vehicle which is permanently

86 7. The director of revenue and the highways and transportation commission may

97 director consistent with the terms, conditions, and provisions of this section and this chapter.
98 Except as otherwise provided in this section, in addition to all other fees required by law,

30 the international symbol of accessibility and may include any appropriate wording to indicate that
31 the space is reserved for the exclusive use of vehicles which display a distinguishing license plate
32 or card. Any person who parks in a space reserved for physically disabled persons and is not
33 displaying distinguishing license plates or a card is guilty of an infraction and upon conviction
34 thereof shall be punished by a fine of not less than fifty dollars nor more than three hundred
35 dollars. Any vehicle which has been removed and which is not properly claimed within thirty
36 days thereafter shall be considered to be an abandoned vehicle.

37 5. Spaces designated for use by vehicles displaying the distinguishing "disabled" license
38 plate issued pursuant to section 301.142 or 301.071 shall meet the requirements of the federal
39 Americans with Disabilities Act, as amended, and any rules or regulations established pursuant
40 thereto. Notwithstanding the other provisions of this section, on-street parking spaces designated
41 by political subdivisions in residential areas for the exclusive use of vehicles displaying a
42 distinguishing license plate or card issued pursuant to section 301.071 or 301.142 shall meet the
43 requirements of the federal Americans with Disabilities Act pursuant to this subsection and any
44 such space shall have clearly and visibly painted upon it the international symbol of accessibility
45 and any curb adjacent to the space shall be clearly and visibly painted blue.

46 6. Any person who, without authorization, uses a distinguishing license plate or card
47 issued pursuant to section 301.071 or 301.142 to park in a parking space reserved under authority
48 of this section shall be guilty of a class B misdemeanor.

49 7. Law enforcement officials may enter upon private property open to public use to
50 enforce the provisions of this section and section 301.142, including private property designated
51 by the owner of such property for the exclusive use of vehicles which display a distinguishing
52 license plate or card issued pursuant to section 301.071 or 301.142.

53 8. Nonconforming signs or spaces otherwise required pursuant to this section which are
54 in use prior to August 28, 1997, shall not be in violation of this section during the useful life of
55 such signs or spaces. Under no circumstances shall the useful life of the nonconforming signs
56 or spaces be extended by means other than those means used to maintain any sign or space on
57 the owner's property which is not used for vehicles displaying a disabled license plate.

58 **9. Beginning August 28, 2007, all new signs erected under this section shall contain**
59 **the words "Accessible Parking" in lieu of the words "Handicap Parking".**

301.144. 1. The director of revenue shall establish and issue special personalized license plates containing letters or numbers or combinations of letters and numbers. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. Any person desiring to obtain a special personalized license plate for any motor vehicle the person owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight shall apply to the director of revenue on a form provided by the director and shall pay a fee of fifteen dollars in addition to the regular registration fees. The director of revenue shall issue rules and regulations setting the standards and establishing the procedure for application for and issuance of the special personalized license plates and shall provide a deadline each year for the applications. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void. No two owners shall be issued identical plates. An owner shall make a new application and pay a new fee each year such owner desires to obtain or retain special personalized license plates; however, notwithstanding the provisions of subsection 8 of section 301.130 to the contrary, the director shall allow the special personalized license plates to be replaced with new plates every three years without any additional charge, above the fee established in this section, to the renewal applicant. Any person currently in possession of an approved personalized license plate shall have first priority on that particular plate for each of the following years that timely and appropriate application is made.

2. Upon application for a personalized plate by the owner of a motor vehicle for which the owner has no registration plate available for transfer as prescribed by section 301.140, the director shall issue a temporary permit authorizing the operation of the motor vehicle until the personalized plate is issued.

3. No personalized license plates shall be issued containing any letters, numbers or combination of letters and numbers which are obscene, profane, patently offensive or contemptuous of a racial or ethnic group, or offensive to good taste or decency, or would present an unreasonable danger to the health or safety of the applicant, of other users of streets and highways, or of the public in any location where the vehicle with such a plate may be found. The director may recall any personalized license plates, including those issued prior to August 28,

37 1992, if the director determines that the plates are obscene, profane, patently offensive or
38 contemptuous of a racial or ethnic group, or offensive to good taste or decency, or would present
39 an unreasonable danger to the health or safety of the applicant, of other users of streets and
40 highways, or of the public in any location where the vehicle with such a plate may be found.
41 Where the director recalls such plates pursuant to the provisions of this subsection, the director
42 shall reissue personalized license plates to the owner of the motor vehicle for which they were
43 issued at no charge, if the new plates proposed by the owner of the motor vehicle meet the
44 standards established pursuant to this section. The director shall not apply the provisions of this
45 statute in a way that violates the Missouri or United States Constitutions as interpreted by the
46 courts with controlling authority in the state of Missouri. The primary purpose of motor vehicle
47 licence plates is to identify motor vehicles. Nothing in the issuance of a personalized license
48 plate creates a designated or limited public forum. Nothing contained in this subsection shall be
49 interpreted to prohibit the use of license plates, which are no longer valid for registration
50 purposes, as collector's items or for decorative purposes.

51 4. The director may also establish categories of special license plates from which license
52 plates may be issued. Any such person, other than a person exempted from the additional fee
53 pursuant to subsection 7 of this section, that desires a personalized special license plate from any
54 such category shall pay the same additional fee and make the same kind of application as that
55 required by subsection 1 of this section, and the director shall issue such plates in the same
56 manner as other personalized special license plates are issued.

57 5. The director of revenue shall issue to residents of the state of Missouri who hold an
58 unrevoked and unexpired official amateur radio license issued by the Federal Communications
59 Commission, upon application and upon payment of the additional fee specified in subsection
60 1 of this section, except for a person exempted from the additional fee pursuant to subsection 7
61 of this section, personalized special license plates bearing the official amateur radio call letters
62 assigned by the Federal Communications Commission to the applicant with the words
63 "AMATEUR RADIO" in place of the words "SHOW-ME STATE". The application shall be
64 accompanied by a statement stating that the applicant has an unrevoked and unexpired amateur
65 radio license issued by the Federal Communications Commission and the official radio call
66 letters assigned by the Federal Communications Commission to the applicant. An owner making
67 a new application and paying a new fee to retain an amateur radio plate may request a
68 replacement plate with the words "AMATEUR RADIO" in place of the words "SHOW-ME
69 STATE". If application is made to retain a plate that is three years old or older, the replacement
70 plate shall be issued upon the payment of required fees.

71 6. Notwithstanding any other provision to the contrary, any business that repossesses
72 motor vehicles or trailers and sells or otherwise disposes of them shall be issued a placard

73 displaying the word "Repossessed", provided such business pays the fees presently required of
74 a manufacturer, distributor, or dealer in subsection 1 of section [301.253] **301.560**. Such placard
75 shall bear a number and shall be in such form as the director of revenue shall determine, and
76 shall be only used for demonstrations when displayed substantially as provided for number plates
77 on the rear of the motor vehicle or trailer.

78 7. Notwithstanding any provision of law to the contrary, any person who has retired from
79 any branch of the United States armed forces or reserves, the United States Coast Guard or
80 reserve, the United States Merchant Marines or reserve, the National Guard, or any subdivision
81 of any such services shall be exempt from the additional fee required for personalized license
82 plates issued pursuant to section 301.441. As used in this subsection, "retired" means having
83 served twenty or more years in the appropriate branch of service and having received an
84 honorable discharge.

301.147. 1. Notwithstanding the provisions of section 301.020 to the contrary,
2 beginning July 1, 2000, the director of revenue [may] **shall** provide owners of motor vehicles,
3 other than commercial motor vehicles licensed in excess of twelve thousand pounds gross
4 weight, the option of biennially registering motor vehicles. Any vehicle manufactured as an
5 even-numbered model year vehicle shall be renewed each even-numbered calendar year and any
6 such vehicle manufactured as an odd-numbered model year vehicle shall be renewed each
7 odd-numbered calendar year, subject to the following requirements:

8 (1) The fee collected at the time of biennial registration shall include the annual
9 registration fee plus a pro rata amount for the additional twelve months of the biennial
10 registration;

11 (2) Presentation of all documentation otherwise required by law for vehicle registration
12 including, but not limited to, a personal property tax receipt or certified statement for the
13 preceding year that no such taxes were due as set forth in section 301.025, **and** proof of [a] **any**
14 **applicable** motor vehicle safety inspection and any applicable emission inspection conducted
15 within sixty days prior to the date of application and proof of insurance as required by section
16 303.026, RSMo. **If a motor vehicle owner is exempt from submitting proof of a motor**
17 **vehicle safety inspection under the provisions of section 307.357, RSMo, then the motor**
18 **vehicle owner shall submit an affidavit stating that the motor vehicle has fewer than fifty**
19 **thousand miles and newer than five years old.**

20 2. The director of revenue may prescribe rules and regulations for the effective
21 administration of this section. The director is authorized to adopt those rules that are reasonable
22 and necessary to accomplish the limited duties specifically delegated within this section. Any
23 rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is promulgated
24 pursuant to the authority delegated in this section shall become effective only if it has been

25 promulgated pursuant to the provisions of chapter 536, RSMo. This section and chapter 536,
26 RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to
27 chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are
28 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed
29 or adopted after July 1, 2000, shall be invalid and void.

30 3. The director of revenue shall have the authority to stagger the registration period of
31 motor vehicles other than commercial motor vehicles licensed in excess of twelve thousand
32 pounds gross weight. Once the owner of a motor vehicle chooses the option of biennial
33 registration, such registration must be maintained for the full twenty-four month period.

301.221. 1. The department shall file each application received by it with the required
2 fee, and when satisfied that the applicant, if an individual, or each of the partners or principal
3 officers of the applicant, if a partnership or a corporation, is of good moral character and that the
4 applicant, so far as can be ascertained, has complied and will comply with the provisions of
5 sections 301.217 to 301.229 and the laws of this state relating to registration of and certificates
6 of title of vehicles, shall issue to the applicant a license to carry on and conduct the kind of
7 businesses, enumerated in section 301.218, specified in the application at the address therein
8 specified, until the next license renewal date.

9 2. When the application is being made for licensure as a salvage dealer, a certification

11 highway patrol stationed in the troop area in which the applicant's place of business is located;
12 except, that in counties of the first classification, certification may be performed by an officer
13 of a metropolitan police department when the applicant's established place of business of salvage
14 is in the metropolitan area where the certifying metropolitan police officer is employed. An
15 applicant shall have a bona fide established place of business which shall include a permanent
16 enclosed building or structure, either owned in fee or leased and actually occupied as a place of
17 business by the applicant for:

- 18 (1) Selling used parts of or used accessories for vehicles; or
- 19 (2) Salvaging, wrecking or dismantling vehicles for resale of the parts thereof; or
- 20 (3) Rebuilding and repairing wrecked or dismantled vehicles; or
- 21 (4) Processing scrapped vehicles or vehicle parts.

22 3. The applicant's place of business shall be a place wherein the public may contact the
23 owner or operator, in person or by telephone, at any reasonable time, and wherein shall be kept
24 and maintained the books, records, files, tools, equipment and other matters required and
25 necessary to conduct the business.

26 4. The application shall include a photograph, not to exceed eight inches by ten inches,
27 showing the building and business premises and shall accompany the initial application but will

28 not be required for subsequent renewals unless substantial changes have been made to the
29 building or business premises.

301.225. Every person licensed or required to be licensed shall maintain for three years
2 on vehicles not more than seven years old a record of:

3 (1) Every vehicle or used transmission, rear end, cowl, frame, body, front end assembly

8 wrecking or dismantling and, if sold to a scrap metal operator, the operator's name and address.
9 Every such record shall be retained by the person licensed or required to be licensed at his
10 principal place of business and shall be open to inspection by any representative of the
11 department, member **or authorized or designated employee** of the Missouri highway patrol,
12 or any police officer during reasonable business hours. Members of the patrol or any police
13 officer may inspect the premises of every person licensed or required to be licensed at any time
14 that business is being conducted or work is being performed, whether or not open to the public
15 to enforce the provisions of sections 301.217 to 301.229.

301.229. 1. Anyone who violates any provision of sections 301.217 to 301.229 is guilty
2 of a class A misdemeanor and, upon conviction, shall be punished as provided by law.

3 2. The director of revenue or his **or her** designated representative, **including members**

6 any forms, notices or other written documents in order to enforce such authority and to ensure
7 that every person licensed or required to be licensed pursuant to sections 301.217 to 301.229 is

7 **for the replacement tab is accompanied with a notarized affidavit verifying that such**
8 **license plate tab or tabs were stolen.**

301.550. 1. The definitions contained in section 301.010 shall apply to sections 301.550

302.272. 1. No person shall operate any school bus owned by or under contract with a
2 public school or the state board of education unless such driver has qualified for a school bus
3 endorsement under this section and complied with the pertinent rules and regulations of the
4 department of revenue and any final rule issued by the secretary of the United States Department
5 of Transportation or has a valid school bus endorsement on a valid commercial driver's license
6 issued by another state. A school bus endorsement shall be issued to any applicant who meets
7 the following qualifications:

- 8 (1) The applicant has a valid state license issued under this chapter;
9 (2) The applicant is at least twenty-one years of age; and
10 (3) The applicant has successfully passed an examination for the operation of a school
11 bus as prescribed by the director of revenue. The examination shall include any examinations
12 prescribed by the secretary of the United States Department of Transportation, and a driving test
13 in the type of vehicle to be operated. The test shall be completed in the appropriate class of
14 vehicle to be driven. For purposes of this section classes of school buses shall comply with the
15 Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570). For drivers who
16 are at least seventy years of age, such examination shall be completed annually.

17 2. The director of revenue, to the best of the director's knowledge, shall not issue or
18 renew a school bus endorsement to any applicant whose driving record shows that such
19 applicant's privilege to operate a motor vehicle has been suspended, revoked or disqualified or
20 whose driving record shows a history of moving vehicle violations.

21 3. **The director of revenue shall not issue or renew a school bus endorsement to any**
22 **applicant whose driving record shows that the applicant has been convicted of an**
23 **intoxication-related traffic offense, as that term is defined in section 577.023, RSMo, while**
24 **operating a school bus. A person found guilty or pleading guilty to an intoxication-related**

25 **traffic offense while operating a school bus shall have his or her school bus endorsement**
26 **permanently denied by the court, beginning on the date of the court's order.**

27 **4.** The director may adopt any rules and regulations necessary to carry out the provisions
28 of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo,
29 that is created under the authority delegated in this section shall become effective only if it
30 complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable,
31 section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of
32 the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay
33 the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then
34 the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall
35 be invalid and void.

36 **[4.] 5.** Notwithstanding the requirements of this section, an applicant who resides in
37 another state and possesses a valid driver's license from his or her state of residence with a valid
38 school bus endorsement for the type of vehicle being operated shall not be required to obtain a
39 Missouri driver's license with a school bus endorsement.

302.275. **1.** Any employer of a person licensed pursuant to section 302.272 to operate
2 a school bus, as that term is defined in section 301.010, RSMo, shall notify the director of the
3 department of revenue within ten days of discovering that the person has failed to pass any drug,
4 alcohol or chemical test administered pursuant to the requirements of any federal or state law,
5 rule or regulation regarding the operation of a school bus. The notification shall consist of the
6 person's name and any other relevant information required by the director. The director shall
7 determine the manner in which the notification is made. Any employer, or any officer of an
8 employer, who knowingly fails to comply with the notification requirement of this section or
9 who knowingly provides a false notification shall be guilty of an infraction.

10 **2.** Whenever a citation for an intoxicated-related traffic offense, as defined by
11 section 577.023, RSMo, is issued to any person licensed under section 302.272 to operate
12 a school bus, the person shall notify the superintendent of the school district or employing
13 contractor for which he or she operates a school bus of the citation. Notice of such citation
14 shall be given prior to the person resuming operation of a school bus. Failure to notify the
15 school district or the employing contractor of the citation shall constitute a valid reason to
16 discharge such person from the school district's or employing contractor's employ.

302.305. **1.** The director of the department of revenue shall issue a registration
2 plate impoundment order to any person whose driver's license has been suspended,
3 revoked, or disqualified for a period of sixty days or greater. The registration plate
4 impoundment order shall require the impoundment of the registration plates of all motor
5 vehicles owned by, registered, or leased in the name of the person whose driver's license

6 has been suspended, revoked, or disqualified, including motor vehicles registered solely or
7 jointly in the name of such individual. The registration plate impoundment order shall
8 notify the person that he or she has seven days to surrender all registration plates listed in
9 the registration impoundment order. Within seven days of receipt of the registration plate
10 impoundment order, the person shall surrender his or her current license plates for any
11 motor vehicle registered solely or jointly in the name of such person to the director of the
12 department of revenue for destruction. If the person fails to return all license plates to the
13 director within seven days of receipt of the registration plate impoundment order, the
14 director shall direct the Missouri state highway patrol or any peace or police officer to
15 secure the possession of such license plates. The person shall be issued a set of restricted
16 license plates that are different in color from regular plates which shall be displayed on the
17 motor vehicle or motor vehicles registered solely or jointly in the person's name for the
18 period of the suspension, revocation, denial, or disqualification. The applicant shall pay
19 replacement plate fees as provided in section 301.300, RSMo, for the restricted license
20 plates in addition to any other registration fees that may apply. After reinstatement,
21 standard plates shall be obtained under the requirements and fees established in chapter
22 301, RSMo.

23 2. Until the driver's license of the motor vehicle owner is reinstated, any new license
24 plate issued to the motor vehicle owner shall conform to the provisions of this section.

25 3. Law enforcement officers shall have probable cause to stop any vehicle
26 displaying restricted license plates issued under the provisions of this section to determine
27 whether the driver of such vehicle has a valid driver's license or a limited driving privilege
28 as described in section 302.309.

29 4. A registered owner of a motor vehicle who has been issued restricted license
30 plates under the provisions of this section may not sell the motor vehicle during the period
31 the motor vehicle is required to display such plates unless the registered owner applies to
32 the department of revenue for permission to transfer title to the motor vehicle. If the
33 director of the department of revenue is satisfied that the proposed sale is in good faith and
34 for a valid consideration, and that the sale or transfer is not for the purpose of
35 circumventing the provisions of this section, the director may certify its consent to the
36 owner of the motor vehicle. Any vehicle acquired by the applicant during the period of
37 restriction shall display the restricted license plates.

38 5. If, during the time the restricted license plates are required to be displayed under
39 this section, the title to a motor vehicle is transferred by a foreclosure, a sale upon
40 execution, or other similar legal action, the department shall enter notice of the transfer

41 of the motor vehicle's title in the motor vehicle system and the restricted license plates shall
42 be returned to the department of revenue for destruction.

43 6. No person operating a motor vehicle displaying restricted license plates as
44 described in this section shall knowingly replace, disguise, or obscure the color of such
45 plates.

46 7. Nothing contained in this section shall alter or be construed to alter the
47 obligations of a person with respect to the taxation of motor vehicles or the time within
48 which a person must pay personal property taxes upon a motor vehicle.

49 8. The director of the department of revenue is authorized to promulgate rules and
50 regulations to implement the provisions of this section. Any rule or portion of a rule, as
51 that term is defined in section 536.010, RSMo, that is created under the authority delegated
52 in this section shall become effective only if it complies with and is subject to all of the
53 provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section
54 and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general
55 assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to
56 disapprove and annul a rule are subsequently held unconstitutional, then the grant of
57 rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be
58 invalid and void.

59 9. The provisions of this section shall become effective January 1, 2008.

302.321. 1. A person commits the crime of driving while revoked if such person
2 operates a motor vehicle on a highway when such person's license or driving privilege has been
3 canceled, suspended, or revoked under the laws of this state or any other state and acts with
4 criminal negligence with respect to knowledge of the fact that such person's driving privilege has
5 been canceled, suspended, or revoked.

6 2. Any person convicted of driving while revoked is guilty of a class A misdemeanor.
7 **If the person convicted of driving while revoked was operating a school bus at the time of**
8 **the offense, the person shall be fined not less than one thousand dollars if the offense is**
9 **otherwise a class A misdemeanor.** Any person with no prior alcohol-related enforcement
10 contacts as defined in section 302.525, convicted a fourth or subsequent time of driving while
11 revoked or a county or municipal ordinance of driving while suspended or revoked where the
12 defendant was represented by or waived the right to an attorney in writing, and where the prior
13 three driving-while-revoked offenses occurred within ten years of the date of occurrence of the
14 present offense; and any person with a prior alcohol-related enforcement contact as defined in
15 section 302.525, convicted a third or subsequent time of driving while revoked or a county or
16 municipal ordinance of driving while suspended or revoked where the defendant was represented
17 by or waived the right to an attorney in writing, and where the prior two driving-while-revoked

18 offenses occurred within ten years of the date of occurrence of the present offense and where the
19 person received and served a sentence of ten days or more on such previous offenses is guilty of
20 a class D felony. No court shall suspend the imposition of sentence as to such a person nor
21 sentence such person to pay a fine in lieu of a term of imprisonment, nor shall such person be
22 eligible for parole or probation until such person has served a minimum of forty-eight
23 consecutive hours of imprisonment, unless as a condition of such parole or probation, such
24 person performs at least ten days involving at least forty hours of community service under the
25 supervision of the court in those jurisdictions which have a recognized program for community
26 service. Driving while revoked is a class D felony on the second or subsequent conviction
27 pursuant to section 577.010, RSMo, or a fourth or subsequent conviction for any other offense.

2 privilege has been suspended or revoked, for a first determination under sections 302.500 to
3 302.540, that such person was driving with two-hundredths of one percent of blood alcohol
4 content, shall have all official records and all recordations maintained by the department of
5 revenue of such suspension or revocation expunged two years after the date of such suspension
6 or revocation, or when such person attains the age of twenty-one, whichever date first occurs.
7 Such expungement shall be performed by the department of revenue without need of a court
8 order. No records shall be expunged **until three years after the date of suspension or**
9 **revocation, if the person was holding a commercial driver's license at the time of the**
10 **offense, or if the person was found guilty or pled guilty to operating a commercial motor vehicle,**
11 as defined in section 302.700, with a blood alcohol content of at least four-hundredths of one
12 percent.

13 2. The provisions of this section shall not apply to any person whose license is suspended

27 must comply with the minimum requirements of the Commercial Motor Vehicle Safety Act of
28 1986 (Title XII of Pub. Law 99-570) as established by the Secretary.

30 superintendent may designate. A twenty-five dollar examination fee shall be paid by the
31 applicant upon completion of any written or driving test, **except such fee shall be waived for**
32 **applicants seventy years of age or older.** The director shall delegate the power to conduct the
33 examinations required under sections 302.700 to 302.780 to any member of the highway patrol
34 or any person employed by the highway patrol qualified to give driving examinations. **The**
35 **written test shall only be administered in the English language and applicants must be able**
36 **to read and speak the English language sufficiently to understand highway traffic signs**
37 **and signals in the English language, respond to official inquiries, and make entries on**

41 certification of third-party testers by the department of revenue. Such rules and regulations shall
42 substantially comply with the requirements of 49 CFR Part 383, Section 383.75. A certification
43 to conduct third-party testing shall be valid for one year, and the department shall charge a fee
44 of one hundred dollars to issue or renew the certification of any third-party tester.

45 (3) Beginning August 28, 2006, the director shall only issue or renew third-party tester
46 certification to junior colleges or community colleges established under chapter 178, RSMo, or
47 to private companies who own, lease, or maintain their own fleet and administer in-house testing
48 to their employees, or to school districts and their agents that administer in-house testing to the
49 school district's or agent's employees. Any third-party tester who violates any of the rules and

66 **alternative requirements for the skills test described in 49 CFR Part 383, Section 383.77.**
67 **An applicant must certify that, during the two-year period immediately preceding**
68 **application for a commercial driver's license, all of the following apply:**

69 **(a) The applicant has not had more than one license;**

70 **(b) The applicant has not had any license suspended, revoked, or canceled;**

71 **(c) The applicant has not had any convictions for any type of motor vehicle for the**

79 **(f) The applicant is regularly employed in a job requiring operation of a**
80 **commercial motor vehicle, and has at least operated the vehicle for sixty days during the**

93 disqualified from driving a commercial motor vehicle, when a disqualification is pending in any
94 state or while the person's driver's license is suspended, revoked, or canceled in any state; nor
95 may a commercial driver's license be issued unless the person first surrenders in a manner
96 prescribed by the director any commercial driver's license issued by another state, which license
97 shall be returned to the issuing state for cancellation.

98 4. Beginning July 1, 2005, the director shall not issue an instruction permit under this
99 section unless the director verifies that the applicant is lawfully present in the United States

59 subsection 1, 2, 3 or 4 of this section shall have such commercial driver's license canceled, and
60 upon conclusion of the period of disqualification shall take the written and driving tests and meet
61 all other requirements of sections 302.700 to 302.780. Such disqualification and cancellation

64 16. The director shall disqualify a driver upon receipt of notification that the Secretary
65 has determined a driver to be an imminent hazard pursuant to 49 CFR, Part 383.52. Due process

67 accordance with regulations promulgated by the Secretary. The period of disqualification

68 determined by the Secretary pursuant to this section shall be served concurrently to any other

42 **the seat of such vehicle is designed to carry more than one person.**

43 **7. Utility vehicles shall be exempt from the titling and registration provisions of**
44 **chapter 301, RSMo.**

304.070. 1. Any person who violates any of the provisions of subsections 1, 3, and 6 of section 304.050 is guilty of a class A misdemeanor. In addition, beginning July 1, 2005, the court may suspend the driver's license of any person who violates the provision of subsection 1 of section 304.050. If ordered by the court, the director shall suspend the driver's license for [ninety] **one hundred twenty** days for a first offense of subsection 1 of section 304.050, and one hundred [twenty] **eighty** days for a second or subsequent offense of subsection 1 of section 304.050. Any person who violates subsection 1 of section 304.050 where such violation causes the death of any child shall be guilty of a class C felony.

2. Any appeal of a suspension imposed under subsection 1 of this section shall be a direct appeal of the court order and subject to review by the presiding judge of the circuit court or another judge within the circuit other than the judge who issued the original order to suspend the driver's license. The director of revenue's entry of the court-ordered suspension on the driving record is not a decision subject to review pursuant to section 302.311, RSMo. Any suspension of the driver's license ordered by the court under this section shall be in addition to any other suspension that may occur as a result of the conviction pursuant to other provisions of law.

304.170. 1. No vehicle operated upon the highways of this state shall have a width, including load, in excess of ninety-six inches, except clearance lights, rearview mirrors or other accessories required by federal, state or city law or regulation; except that, vehicles having a width, including load, not in excess of one hundred two inches, exclusive of clearance lights, rearview mirrors or other accessories required by law or regulations, may be operated on the interstate highways and such other highways as may be designated by the highways and transportation commission for the operation of such vehicles plus a distance not to exceed ten miles from such interstate or designated highway. Provided however, a recreational vehicle as defined in section 700.010, RSMo, may exceed the foregoing width limits if the appurtenances on such recreational vehicle extend no further than the rearview mirrors. Such mirrors may only extend the distance necessary to provide the required field of view before the appurtenances were attached.

2. No vehicle operated upon the interstate highway system or upon any route designated by the chief engineer of the state transportation department shall have a height, including load, in excess of fourteen feet. On all other highways, no vehicle shall have a height, including load, in excess of thirteen and one-half feet, except that any vehicle or combination of vehicles transporting automobiles or other motor vehicles may have a height, including load, of not more than fourteen feet.

19 3. No single motor vehicle operated upon the highways of this state shall have a length,
20 including load, in excess of forty-five feet, except as otherwise provided in this section.

21 4. No bus, recreational motor vehicle or trackless trolley coach operated upon the
22 highways of this state shall have a length in excess of forty-five feet, except that such vehicles
23 may exceed the forty-five feet length when such excess length is caused by the projection of a
24 front safety bumper or a rear safety bumper or both. Such safety bumper shall not cause the
25 length of the bus or recreational motor vehicle to exceed the forty-five feet length limit by more
26 than one foot in the front and one foot in the rear. The term "safety bumper" means any device
27 which may be fitted on an existing bumper or which replaces the bumper and is so constructed,
28 treated, or manufactured that it absorbs energy upon impact.

29 5. No combination of truck-tractor and semitrailer or truck-tractor equipped with
30 dromedary and semitrailer operated upon the highways of this state shall have a length, including
31 load, in excess of sixty feet; except that in order to comply with the provisions of Title 23 of the
32 United States Code (Public Law 97-424), no combination of truck-tractor and semitrailer or
33 truck-tractor equipped with dromedary and semitrailer operated upon the interstate highway
34 system of this state shall have an overall length, including load, in excess of the length of the
35 truck-tractor plus the semitrailer or truck-tractor equipped with dromedary and semitrailer. The
36 length of such semitrailer shall not exceed fifty-three feet.

37 6. In order to comply with the provisions of Title 23 of the United States Code (Public
38 Law 97-424), no combination of truck-tractor, semitrailer and trailer operated upon the interstate
39 highway system of this state shall have an overall length, including load, in excess of the length
40 of the truck-tractor plus the semitrailer and trailer, neither of which semitrailer or trailer shall
41 exceed twenty-eight feet in length, except that any existing semitrailer or trailer up to
42 twenty-eight and one-half feet in length actually and lawfully operated on December 1, 1982,
43 within a sixty-five foot overall length limit in any state, may continue to be operated upon the
44 interstate highways of this state. On those primary highways not designated by the state
45 highways and transportation commission as provided in subsection 10 of this section, no
46 combination of truck-tractor, semitrailer and trailer shall have an overall length, including load,
47 in excess of sixty-five feet; provided, however, the state highways and transportation commission
48 may designate additional routes for such sixty-five foot combinations.

49 7. Automobile transporters, boat transporters, truck-trailer boat transporter combinations,
50 stinger-steered combination automobile transporters and stinger-steered combination boat
51 transporters having a length not in excess of seventy-five feet may be operated on the interstate
52 highways of this state and such other highways as may be designated by the highways and
53 transportation commission for the operation of such vehicles plus a distance not to exceed ten
54 miles from such interstate or designated highway. All length provisions regarding automobile

55 or boat transporters, truck-trailer boat transporter combinations and stinger-steered combinations
56 shall include a semitrailer length not to exceed fifty-three feet and are exclusive of front and rear
57 overhang, which shall be no greater than a three-foot front overhang and no greater than a
58 four-foot rear overhang.

59 8. Driveaway saddlemount combinations having a length not in excess of [seventy-five]
60 **ninety-seven** feet may be operated on the interstate highways of this state and such other
61 highways as may be designated by the highways and transportation commission for the operation
62 of such vehicles plus a distance not to exceed ten miles from such interstate or designated
63 highway. Saddlemount combinations must comply with the safety requirements of Section
64 393.71 of Title 49 of the Code of Federal Regulations and may contain no more than three
65 saddlemounted vehicles and one fullmount.

66 9. No truck-tractor semitrailer-semitrailer combination vehicles operated upon the
67 interstate and designated primary highway system of this state shall have a semitrailer length in
68 excess of twenty-eight feet or twenty-eight and one-half feet if the semitrailer was in actual and
69 lawful operation in any state on December 1, 1982, operating in a truck-tractor
70 semitrailer-semitrailer combination. The B-train assembly is excluded from the measurement
71 of semitrailer length when used between the first and second semitrailer of a truck-tractor
72 semitrailer-semitrailer combination, except that when there is no semitrailer mounted to the
73 B-train assembly, it shall be included in the length measurement of the semitrailer.

74 10. The highways and transportation commission is authorized to designate routes on
75 the state highway system other than the interstate system over which those combinations of
76 vehicles of the lengths specified in subsections 5, 6, 7, 8 and 9 of this section may be operated.
77 Combinations of vehicles operated under the provisions of subsections 5, 6, 7, 8 and 9 of this
78 section may be operated at a distance not to exceed ten miles from the interstate system and such
79 routes as designated under the provisions of this subsection.

80 11. Except as provided in subsections 5, 6, 7, 8, 9 and 10 of this section, no other
81 combination of vehicles operated upon the primary or interstate highways of this state plus a
82 distance of ten miles from a primary or interstate highway shall have an overall length, unladen
83 or with load, in excess of sixty-five feet or in excess of fifty-five feet on any other highway,
84 except the state highways and transportation commission may designate additional routes for use
85 by sixty-five foot combinations, seventy-five foot stinger-steered combinations or seventy-five
86 foot saddlemount combinations. Any vehicle or combination of vehicles transporting
87 automobiles, boats or other motor vehicles may carry a load which extends no more than three
88 feet beyond the front and four feet beyond the rear of the transporting vehicle or combination of
89 vehicles.

90 12. (1) Except as hereinafter provided, these restrictions shall not apply to agricultural
91 implements operating occasionally on the highways for short distances, or to self-propelled
92 hay-hauling equipment or to implements of husbandry, or to the movement of farm products as
93 defined in section 400.9-109, RSMo, or to vehicles temporarily transporting agricultural
94 implements or implements of husbandry or roadmaking machinery, or road materials or towing
95 for repair purposes vehicles that have become disabled upon the highways; or to implement
96 dealers delivering or moving farm machinery for repairs on any state highway other than the
97 interstate system.

98 (2) Implements of husbandry and vehicles transporting such machinery or equipment and
99 the movement of farm products as defined in section 400.9.109, RSMo, may be operated
100 occasionally for short distances on state highways when operated between the hours of sunrise
101 and sunset by a driver licensed as an operator or chauffeur.

102 13. As used in this chapter the term "implements of husbandry" means all self-propelled
103 machinery operated at speeds of less than thirty miles per hour, specifically designed for, or
104 especially adapted to be capable of, incidental over-the-road and primary offroad usage and used
105 exclusively for the application of commercial plant food materials or agricultural chemicals, and
106 not specifically designed or intended for transportation of such chemicals and materials.

107 14. The purpose of this section is to permit a single trip per day by the implement of
108 husbandry from the source of supply to a given farm.

109 15. Sludge disposal units may be operated on all state highways other than the interstate
110 system. Such units shall not exceed one hundred thirty-eight inches in width and may be
111 equipped with over-width tires. Such units shall observe all axle weight limits. The chief
112 engineer of the state transportation department shall issue special permits for the movement of
113 such disposal units and may by such permits restrict the movements to specified routes, days and
114 hours.

304.180. 1. No vehicle or combination of vehicles shall be moved or operated on any
2 highway in this state having a greater weight than twenty thousand pounds on one axle, no
3 combination of vehicles operated by transporters of general freight over regular routes as defined
4 in section 390.020, RSMo, shall be moved or operated on any highway of this state having a
5 greater weight than the vehicle manufacturer's rating on a steering axle with the maximum
6 weight not to exceed twelve thousand pounds on a steering axle, and no vehicle shall be moved
7 or operated on any state highway of this state having a greater weight than thirty-four thousand
8 pounds on any tandem axle; the term "tandem axle" shall mean a group of two or more axles,
9 arranged one behind another, the distance between the extremes of which is more than forty
10 inches and not more than ninety-six inches apart.

11 2. An "axle load" is defined as the total load transmitted to the road by all wheels whose
 12 centers are included between two parallel transverse vertical planes forty inches apart, extending
 13 across the full width of the vehicle.

14 3. Subject to the limit upon the weight imposed upon a highway of this state through any
 15 one axle or on any tandem axle, the total gross weight with load imposed by any group of two
 16 or more consecutive axles of any vehicle or combination of vehicles shall not exceed the
 17 maximum load in pounds as set forth in the following table:

18 Distance in feet	Maximum load in pounds				
19 between the extremes	2 axles	3 axles	4 axles	5 axles	6 axles
20 of any group of two or

81 Notwithstanding the above table, two consecutive sets of tandem axles may carry a gross load
 82 of thirty-four thousand pounds each if the overall distance between the first and last axles of such
 83 consecutive sets of tandem axles is thirty-six feet or more.

84 4. Whenever the state highways and transportation commission finds that any state
 85 highway bridge in the state is in such a condition that use of such bridge by vehicles of the
 86 weights specified in subsection 3 of this section will endanger the bridge, or the users of the
 87 bridge, the commission may establish maximum weight limits and speed limits for vehicles using
 88 such bridge. The governing body of any city or county may grant authority by act or ordinance
 89 to the state highways and transportation commission to enact the limitations established in this
 90 section on those roadways within the purview of such city or county. Notice of the weight limits
 91 and speed limits established by the commission shall be given by posting signs at a conspicuous
 92 place at each end of any such bridge.

93 5. Nothing in this section shall be construed as permitting lawful axle loads, tandem axle
 94 loads or gross loads in excess of those permitted under the provisions of Section 127 of Title 23
 95 of the United States Code.

96 6. Notwithstanding the weight limitations contained in this section, any vehicle or
 97 combination of vehicles operating on highways other than the interstate highway system may

98 exceed single axle, tandem axle and gross weight limitations in an amount not to exceed two
99 thousand pounds. However, total gross weight shall not exceed eighty thousand pounds.

100 7. Notwithstanding any provision of this section to the contrary, the department of
101 transportation shall issue a single-use special permit, or upon request of the owner of the truck
102 or equipment, shall issue an annual permit, for the transporting of any concrete pump truck or
103 well-drillers' equipment. The department of transportation shall set fees for the issuance of
104 permits pursuant to this subsection. Notwithstanding the provisions of section 301.133, RSMo,
105 concrete pump trucks or well-drillers' equipment may be operated on state-maintained roads and
106 highways at any time on any day.

107 **8. Notwithstanding the provision of this section to the contrary, the maximum gross**
108 **vehicle limit and axle weight limit for any vehicle or combination of vehicles equipped with**
109 **an idle reduction technology may be increased by a quantity necessary to compensate for**
110 **the additional weight of the idle reduction system as provided for in 23 U.S.C. Section 127,**
111 **as amended. In no case shall the additional weight increase allowed by this subsection be**
112 **greater than four hundred pounds. Upon request by an appropriate law enforcement**
113 **officer, the vehicle operator shall provide proof that the idle reduction technology is fully**
114 **functional at all times and that the gross weight increase is not used for any purpose other**
115 **than for the use of idle reduction technology.**

307.100. 1. Any lighted lamp or illuminating device upon a motor vehicle other than
2 headlamps, spotlamps, front direction signals or auxiliary lamps which projects a beam of light
3 of an intensity greater than three hundred candlepower shall be so directed that no part of the
4 beam will strike the level of the roadway on which the vehicle stands at a distance of more than
5 seventy-five feet from the vehicle. Alternately flashing warning signals may be used on school
6 buses when used for school purposes and on motor vehicles when used to transport United States
7 mail from post offices to boxes of addressees thereof and on emergency vehicles as defined in
8 section 304.022, RSMo, on buses owned or operated by churches, mosques, synagogues, temples
9 or other houses of worship, and on commercial passenger transport vehicles or railroad passenger
10 cars that are stopped to load or unload passengers, but are prohibited on other motor vehicles,
11 motorcycles and motor-drawn vehicles except as a means for indicating a right or left turn.

12 2. **A motorcycle headlamp may be wired or equipped to allow either its upper beam**
13 **or its lower beam, but not both, to modulate from a higher intensity to a lower intensity at**
14 **a rate of modulation of two hundred to two hundred and eighty cycles per minute. A**
15 **headlamp modulator installed on a motorcycle with two headlamps shall be wired in a**
16 **manner to prevent the headlamps from modulating at different rates or not in**
17 **synchronization with each other. A headlamp modulator installed on a motorcycle shall**

18 **meet the standards prescribed in 49 CFR Part 571, Section 571.108 and Federal Motor**
19 **Vehicle Standard 571.108, as amended.**

20 **3.** Notwithstanding the provisions of section 307.120, violation of this section is an
21 infraction.

307.179. 1. As used in this section, the following terms shall mean:

2 (1) "Child booster seat", a seating system which meets the Federal Motor Vehicle Safety
3 Standards set forth in 49 C.F.R. 571.213, as amended, that is designed to elevate a child to
4 properly sit in a federally approved safety belt system;

5 (2) "Child passenger restraint system", a seating system which meets the Federal Motor
6 Vehicle Safety Standards set forth in 49 C.F.R. 571.213, as amended, and which is either
7 permanently affixed to a motor vehicle or is affixed to such vehicle by a safety belt or a universal
8 attachment system;

9 (3) "Driver", a person who is in actual physical control of a motor vehicle.

10 2. Every driver transporting a child under the age of sixteen years shall be responsible,
11 when transporting such child in a motor vehicle operated by that driver on the streets or
12 highways of this state, for providing for the protection of such child as follows:

13 (1) Children less than four years of age, regardless of weight, shall be secured in a child
14 passenger restraint system appropriate for that child;

15 (2) Children weighing less than forty pounds, regardless of age, shall be secured in a
16 child passenger restraint system appropriate for that child;

17 (3) Children at least four years of age but less than eight years of age, who also weigh
18 at least forty pounds but less than eighty pounds, and who are also less than four feet, nine inches
19 tall, shall be secured in a child passenger restraint system or booster seat appropriate for that
20 child;

21 (4) Children at least eighty pounds or children more than four feet, nine inches in height
22 shall be secured by a vehicle safety belt or booster seat appropriate for that child;

23 (5) A child who otherwise would be required to be secured in a booster seat may be
24 transported in the back seat of a motor vehicle while wearing only a lap belt if the back seat of
25 the motor vehicle is not equipped with a combination lap and shoulder belt for booster seat
26 installation;

27 (6) When transporting children in the immediate family when there are more children
28 than there are seating positions in the enclosed area of a motor vehicle, the children who are not
29 able to be restrained by a child safety restraint device appropriate for the child shall sit in the area
30 behind the front seat of the motor vehicle unless the motor vehicle is designed only for a front
31 seat area. The driver transporting children referred to in this subsection is not in violation of this
32 section.

33 This subsection shall only apply to the use of a child passenger restraint system or vehicle safety
34 belt for children less than sixteen years of age being transported in a motor vehicle.

35 3. Any driver who violates subdivision (1), (2), or (3) of subsection 2 of this section is
36 guilty of an infraction and, upon conviction, may be punished by a fine of not more than fifty
37 dollars and court costs. Any driver who violates subdivision (4) of subsection 2 of this section
38 shall be subject to the penalty in subsection 5 of section 307.178. If a driver receives a citation
39 for violating subdivision (1), (2), or (3) of subsection 2 of this section, the charges shall be
40 dismissed or withdrawn if the driver prior to or at his or her hearing provides evidence of
41 acquisition of a child passenger restraint system or child booster seat which is satisfactory to the
42 court or the party responsible for prosecuting the driver's citation.

43 4. The provisions of this section shall not apply to any public carrier for hire.

44 5. The provisions of this section shall not apply to [students] **children** four years of age
45 or older who are passengers on a school bus designed for carrying eleven passengers or more and
46 which is manufactured or equipped pursuant to Missouri Minimum Standards for School Buses
47 as [school buses are defined in section 301.010, RSMo] **required under section 304.060,**
48 **RSMo. The exemption set forth in this subsection shall apply whether or not such bus is**
49 **being operated by a school district or other entity and regardless whether such bus is being**
50 **used for educational, religious, or other purposes.**

51 [5.] 6. The highways and transportation commission shall initiate and develop a program
52 of public information to develop understanding of, and ensure compliance with, the provisions
53 of this section.

307.357. 1. Notwithstanding sections 307.350 to 307.390, a motor vehicle owner
2 **may renew or reregister the registration plates on a motor vehicle that is otherwise**
3 **required to be inspected if such vehicle has fewer than fifty thousand miles, as evidenced**
4 **by the odometer, without submitting such vehicle to a biennial motor vehicle safety**
5 **inspection.**

6 2. In order to qualify for the exemption set forth in subsection 1 of this section, the
7 owner of such a vehicle shall submit to the director an affidavit, stating the true mileage,
8 sworn to under the penalty of perjury, stating that the motor vehicle has fewer than fifty
9 thousand miles and is newer than five years old.

10 3. The provisions of this section shall not exempt a person from submitting such a
11 motor vehicle to a motor vehicle safety inspection for purposes of initially registering and
12 titling such a vehicle, transferring ownership, or when a motor vehicle safety inspection is
13 otherwise required by law.

307.365. 1. No permit for an official inspection station shall be assigned or transferred
2 or used at any location other than therein designated and every permit shall be posted in a

3 conspicuous place at the location designated. The superintendent of the Missouri state highway
4 patrol shall design and furnish each official inspection station, at no cost, one official sign made
5 of metal or other durable material to be displayed in a conspicuous location to designate the
6 station as an official inspection station. Additional signs may be obtained by an official
7 inspection station for a fee equal to the cost to the state. Each inspection station shall also be
8 supplied with one or more posters which must be displayed in a conspicuous location at the place
9 of inspection and which informs the public that required repairs or corrections need not be made
10 at the inspection station.

11 2. No person operating an official inspection station pursuant to the provisions of
12 sections 307.350 to 307.390 may issue a certificate of inspection and approval for any vehicle
13 except upon an official form furnished by the superintendent of the Missouri state highway patrol
14 for that purpose and only after inspecting the vehicle and determining that its brakes, lighting
15 equipment, signaling devices, steering mechanisms, horns, mirrors, windshield wipers, tires,
16 wheels, exhaust system, glazing, air pollution control devices, fuel system and any other safety
17 equipment as required by the state are in proper condition and adjustment to be operated upon
18 the public highways of this state with safety to the driver or operator, other occupants therein,
19 as well as other persons and property upon the highways, as provided by sections 307.350 to
20 307.390 and the regulations prescribed by the superintendent of the Missouri state highway
21 patrol. Brakes may be inspected for safety by means of visual inspection or computerized brake
22 testing. No person operating an official inspection station shall furnish, loan, give or sell a
23 certificate of inspection and approval to any other person except those entitled to receive it under
24 provisions of sections 307.350 to 307.390. No person shall have in such person's possession any
25 certificate of inspection and approval and/or inspection sticker with knowledge that the
26 certificate and/or inspection sticker has been illegally purchased, stolen or counterfeited.

27 3. The superintendent of the Missouri state highway patrol may require officially
28 designated stations to furnish reports upon forms furnished by the superintendent for that purpose
29 as the superintendent considers reasonably necessary for the proper and efficient administration
30 of sections 307.350 to 307.390.

31 4. If, upon inspection, defects or unsafe conditions are found, the owner may correct
32 them or shall have them corrected at any place the owner chooses within twenty days after the
33 defect or unsafe condition is found, and shall have the right to remove the vehicle to such place
34 for correction, but before the vehicle is operated thereafter upon the public highways of this state,
35 a certificate of inspection and approval must be obtained. The inspecting personnel of the
36 official inspection station must inform the owner that the corrections need not be made at the
37 inspection station.

38 5. A fee, not to exceed twelve dollars, as determined by each official inspection station,
39 may be charged by an official inspection station for each official inspection including the
40 issuance of the certificate of inspection and approval, sticker, seal or other device and a total fee,
41 not to exceed ten dollars, as determined by each official inspection station, may be charged for
42 an official inspection of a trailer or motorcycle, which shall include the issuance of the certificate
43 of inspection and approval, sticker, seal or other device. Such fee shall be conspicuously posted
44 on the premises of each such official inspection station. No owner shall be charged an additional
45 inspection fee upon having corrected defects or unsafe conditions found in an inspection
46 completed within the previous twenty consecutive days, excluding Saturdays, Sundays and
47 holidays, if such follow-up inspection is made by the station making the initial inspection. Every
48 inspection for which a fee is charged shall be a complete inspection, and upon completion of the
49 inspection, if any defects are found the owner of the vehicle shall be furnished a list of the
50 defects and a receipt for the fee paid for the inspection. If the owner of a vehicle decides to have
51 any necessary repairs or corrections made at the official inspection station, the owner shall be
52 furnished a written estimate of the cost of such repairs before such repairs or corrections are
53 made by the official inspection station. The written estimate shall have plainly written upon it
54 that the owner understands that the corrections need not be made by the official inspection
55 station and shall have a signature line for the owner. The owner must sign below the statement
56 on the signature line before any repairs are made.

57 6. Certificates of inspection and approval, sticker, seal or other device shall be purchased
58 by the official inspection stations from the superintendent of the Missouri state highway patrol.
59 The superintendent of the Missouri state highway patrol shall collect a fee of one dollar and fifty
60 cents for each certificate of inspection, sticker, seal or other device issued to the official
61 inspection stations, except that no charge shall be made for certificates of inspection, sticker, seal
62 or other device issued to official inspection stations operated by governmental entities. All fees
63 collected shall be deposited in the state treasury with one dollar of each fee collected credited to
64 the state highway fund and, for the purpose of administering and enforcing the state motor
65 vehicle laws and traffic regulations, fifty cents credited to the "Highway Patrol Inspection Fund"
66 which is hereby created. The moneys collected and deposited in the highway patrol inspection
67 fund shall be expended subject to appropriations by the general assembly for the administration
68 and enforcement of sections 307.350 to 307.390 by the Missouri state highway patrol. The
69 unexpended balance in the fund at the end of each biennium exceeding the amount of the
70 appropriations from the fund for the first two fiscal years shall be transferred to the state road
71 fund, and the provisions of section 33.080, RSMo, relating to the transfer of funds to the general
72 revenue fund at the end of the biennium, shall not apply to the fund.

73 7. The owner or operator of any inspection station who discontinues operation during
74 the period that a station permit is valid or whose station permit is suspended or revoked shall
75 return all official signs and posters and any current unused inspection stickers, seals or other
76 devices to the superintendent of the Missouri state highway patrol and shall receive a full refund
77 on request except for official signs and posters, provided the request is made during the calendar
78 year or within sixty days thereafter in the manner prescribed by the superintendent of the
79 Missouri state highway patrol. Stations which have a valid permit shall exchange unused
80 previous year issue inspection stickers and/or decals for an identical number of current year
81 issue, provided the unused stickers and/or decals are submitted for exchange not later than April
82 thirtieth of the current calendar year, in the manner prescribed by the superintendent of the
83 Missouri state highway patrol.

84 **8. The owner or operator of any inspection station shall maintain liability insurance**
85 **at all times to cover possible damage to vehicles during the inspection process.**

307.366. 1. This enactment of the emissions inspection program is a mandate of the
2 United States Congress pursuant to the federal Clean Air Act, as amended, 42 U.S.C. 7401, et
3 seq. In any portion of an area designated by the governor as a nonattainment area, as defined in
4 the federal Clean Air Act, as amended, 42 U.S.C.A. Section 7501, and located within the area
5 described in subsection 1 of section 643.305, RSMo, certain motor vehicles shall be tested and
6 approved prior to sale or transfer and biennially thereafter to determine that the emissions system
7 is functioning within the emission standards as specified by the Missouri air conservation
8 commission and as required to attain the national health standards for air quality. For such
9 biennial testing, any such vehicle manufactured as an even-numbered model year vehicle shall
10 be tested and approved in each even-numbered calendar year and any such vehicle manufactured
11 as an odd-numbered model year vehicle shall be tested and approved in each odd-numbered
12 calendar year. The motor vehicles to be tested shall be all motor vehicles except those
13 specifically exempted pursuant to subdivisions (1) to (3) of subsection 1 of section 307.350 and
14 those exempted pursuant to this section.

15 2. The provisions of this section shall not apply to:

16 (1) Motor vehicles with a manufacturer's gross vehicle weight rating in excess of eight
17 thousand five hundred pounds;

18 (2) Motorcycles and motortricycles;

19 (3) Model year vehicles manufactured twenty-six years or more prior to the current
20 model year;

21 (4) School buses;

22 (5) Diesel-powered vehicles;

23 (6) Motor vehicles registered in the area covered by this section but which are based and
24 operated exclusively in an area of this state not subject to the provisions of this section if the
25 owner of such vehicle presents to the director a sworn affidavit that the vehicle will be based and
26 operated outside the covered area;

27 (7) New and unused motor vehicles, of model years of the current calendar year and of
28 any calendar year within two years of such calendar year, which have an odometer reading of less
29 than six thousand miles at the time of original sale by a motor vehicle manufacturer or licensed
30 motor vehicle dealer to the first user; and

31 (8) Motor vehicles owned by a person who resides in a county of the first classification
32 without a charter form of government with a population of less than one hundred thousand
33 inhabitants according to the most recent decennial census who has completed an emission
34 inspection pursuant to section 643.315, RSMo.

35

36 Each official inspection station which conducts emissions inspections within the area referred
37 to in subsection 1 of this section shall indicate the gross vehicle weight rating of the motor
38 vehicle on the inspection certificate if the vehicle is exempt from the emissions inspection
39 pursuant to subdivision (1) of this subsection.

40 3. (1) At the time of sale, a licensed motor vehicle dealer, as defined in section 301.550,
41 RSMo, may choose to sell a motor vehicle subject to the inspection requirements of this section
42 either:

43 (a) With prior inspection and approval as provided in subdivision (2) of this subsection;
44 or

45 (b) Without prior inspection and approval as provided in subdivision (3) of this
46 subsection.

47 (2) If the dealer chooses to sell the vehicle with prior inspection and approval, the dealer
48 shall disclose, in writing, prior to sale, whether the vehicle obtained approval by meeting the
49 emissions standards established pursuant to this section or by obtaining a waiver pursuant to
50 subsection 6 of this section. A vehicle sold pursuant to this subdivision by a licensed motor
51 vehicle dealer shall be inspected and approved within the one hundred twenty days immediately
52 preceding the date of sale, and, for the purpose of registration of such vehicle, such inspection
53 shall be considered timely.

54 (3) If the dealer chooses to sell the vehicle without prior inspection and approval, the
55 purchaser may return the vehicle within ten days of the date of purchase, provided that the
56 vehicle has no more than one thousand additional miles since the time of sale, if the vehicle fails,
57 upon inspection, to meet the emissions standards specified by the commission and the dealer
58 shall have the vehicle inspected and approved without the option for a waiver of the emissions

59 standard and return the vehicle to the purchaser with a valid emissions certificate and sticker
60 within five working days or the purchaser and dealer may enter into any other mutually
61 acceptable agreement. If the dealer chooses to sell the vehicle without prior inspection and
62 approval, the dealer shall disclose conspicuously on the sales contract and bill of sale that the
63 purchaser has the option to return the vehicle within ten days, provided that the vehicle has no
64 more than one thousand additional miles since the time of sale, to have the dealer repair the
65 vehicle and provide an emissions certificate and sticker within five working days if the vehicle
66 fails, upon inspection, to meet the emissions standards established by the commission, or enter
67 into any mutually acceptable agreement with the dealer. A violation of this subsection shall be
68 an unlawful practice as defined in section 407.020, RSMo. No emissions inspection shall be
69 required pursuant to this section for the sale of any motor vehicle which may be sold without a
70 certificate of inspection and approval, as provided pursuant to subsection 2 of section 307.380.

71 4. A fee not to exceed twenty-four dollars may be charged for an automobile emissions
72 and air pollution control inspection in order to attain the national health standards for air quality.
73 Such fee shall be conspicuously posted on the premises of each such inspection station. The
74 official emissions inspection station shall issue a certificate of inspection and an approval sticker
75 or seal certifying the emissions system is functioning properly. The certificate or approval issued
76 shall bear the legend: "This cost is mandated by your United States Congress.". No owner shall
77 be charged an additional fee after having corrected defects or unsafe conditions in the
78 automobile's emissions and air pollution control system if the reinspection is completed within
79 twenty consecutive days, excluding Saturdays, Sundays and holidays, and if such follow-up
80 inspection is made by the station making the initial inspection.

81 5. The air conservation commission shall establish, by rule, a waiver amount which may
82 be lower for older model vehicles and which shall be no greater than seventy-five dollars for
83 model year vehicles prior to 1981 and no greater than two hundred dollars for model year
84 vehicles of 1981 and all subsequent model years.

85 6. An owner whose vehicle fails upon reinspection to meet the emission standards
86 specified by the Missouri air conservation commission shall be issued a certificate of inspection
87 and an approval sticker or seal by the official emissions inspection station that provided the
88 inspection if the vehicle owner furnishes a complete, signed affidavit satisfying the requirements
89 of this subsection and the cost of emissions repairs and adjustments is equal to or greater than
90 the waiver amount established by the air conservation commission pursuant to this section. The
91 air conservation commission shall establish, by rule, a form and a procedure for verifying that
92 repair and adjustment was performed on a failing vehicle prior to the granting of a waiver and
93 approval. The waiver form established pursuant to this subsection shall be an affidavit requiring:

94 (1) A statement signed by the repairer that the specified work was done and stating the
95 itemized charges for the work; and

96 (2) A statement signed by the inspector that an inspection of the vehicle verified, to the
97 extent practical, that the specified work was done.

98 7. The department of revenue shall require evidence of the inspection and approval
99 required by this section in issuing the motor vehicle annual registration in conformity with the
100 procedure required by sections 307.350 to 307.370.

101 8. Each emissions inspection station located in the area described in subsection 1 of this
102 section shall purchase from the highway patrol sufficient forms and stickers or other devices to
103 evidence approval of the motor vehicle's emissions control system. In addition, emissions
104 inspection stations may be required to purchase forms for use in automated analyzers from
105 outside vendors of the inspection station's choice. The forms must comply with state regulations.

106 9. In addition to the fee collected by the superintendent pursuant to subsection 5 of
107 section 307.365, the highway patrol shall collect a fee of seventy-five cents for each automobile
108 emissions certificate issued to the applicable official emissions inspection stations, except that
109 no charge shall be made for certificates of inspection issued to official emissions inspection
110 stations operated by governmental entities. All fees collected by the superintendent pursuant to
111 this section shall be deposited in the state treasury to the credit of the "Missouri Air Pollution
112 Control Fund", which is hereby created.

113 10. The moneys collected and deposited in the Missouri air pollution control fund
114 pursuant to this section shall be allocated on an equal basis to the Missouri state highway patrol
115 and the Missouri department of natural resources, air pollution control program, and shall be
116 expended subject to appropriation by the general assembly for the administration and
117 enforcement of sections 307.350 to 307.390. The unexpended balance in the fund at the end of
118 each appropriation period shall not be transferred to the general revenue fund, except as directed
119 by the general assembly by appropriation, and the provisions of section 33.080, RSMo, relating
120 to the transfer of funds to the general revenue fund at the end of the biennium, shall not apply
121 to this fund. The moneys in the fund shall be invested by the treasurer as provided by law, and
122 the interest shall be credited to the fund.

123 **11. Each official inspection station which conducts emissions inspections within the**
124 **area referred to in subsection 1 of this section shall maintain liability insurance at all times**
125 **to cover possible damage to vehicles during the emissions testing process.**

126 **12.** The superintendent of the Missouri state highway patrol shall issue such rules and
127 regulations as are necessary to determine whether a motor vehicle's emissions control system is
128 operating as required by subsection 1 of this section, and the superintendent and the state
129 highways and transportation commission shall use their best efforts to seek federal funds from

130 which reimbursement grants may be made to those official inspection stations which acquire and
131 use the necessary testing equipment which will be required to perform the tests required by the
132 provisions of this section.

133 [12.] **13.** The provisions of this section shall not apply in any county for any time period
134 during which the air conservation commission has established a motor vehicle emissions
135 inspection program pursuant to sections 643.300 to 643.355, RSMo, for such county, except
136 where motor vehicle owners have the option of biennial testing pursuant to chapter 643, RSMo.
137 In counties where such option is available, the emissions inspection may be conducted in stations
138 conducting only an emissions inspection under contract to the state.

139 [13.] **14.** Notwithstanding the provisions of section 307.390, violation of this section
140 shall be deemed a class C misdemeanor.

311.326. After a period of not less than one year, or upon reaching the age of twenty-one,
2 whichever occurs first, a person who has pleaded guilty to or has been found guilty of violating
3 section 311.325 for the first time, and who since such conviction has not been convicted of any
4 other alcohol-related offense, may apply to the court in which he or she was sentenced for an
5 order to expunge all official records of his or her arrest, plea, trial and conviction. **No records**
6 **shall be expunged if the person who has plead guilty to or has been found guilty of**
7 **violating section 311.325 is licensed as a commercial motor vehicle driver or was operating**
8 **a commercial motor vehicle as defined in section 302.700, RSMo, at the time of the**
9 **violation.** If the court determines, upon review, that such person has not been convicted of any
10 other alcohol-related offense at the time of the application for expungement, and the person has
11 had no other alcohol-related enforcement contacts, as defined in section 302.525, RSMo, the
12 court shall enter an order of expungement. The effect of such an order shall be to restore such
13 person to the status he or she occupied prior to such arrest, plea or conviction, as if such event
14 had never happened. No person as to whom such order has been entered shall be held thereafter
15 under any provision of any law to be guilty of perjury or otherwise giving a false statement by
16 reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or
17 expungement in response to any inquiry made of him or her for any purpose whatsoever. A
18 person shall be entitled to only one expungement pursuant to this section. Nothing contained in
19 this section shall prevent courts or other state officials from maintaining such records as are
20 necessary to ensure that an individual receives only one expungement pursuant to this section.

387.075. 1. Notwithstanding any provision of chapter 390, RSMo, chapter 622,
2 **RSMo, or this chapter to the contrary, any common carrier that is authorized to transport**
3 **household goods by a certificate issued under section 390.051, RSMo, may file one or more**
4 **applications to the state highways and transportation commission for approval of rate**
5 **schedules, applicable to that carrier's intrastate transportation of household goods, that**

6 authorize periodic rate adjustments outside of general rate proceedings to reflect increases
7 and decreases in the carrier's prudently incurred costs of providing transportation of
8 property by motor vehicle. The filing of applications by common carriers under this
9 section shall be authorized upon the same terms and conditions as provided in section
10 386.266, RSMo, with reference to the filing of applications to the public service commission
11 by an electrical, gas, or water corporation. These applications shall be made in such form,
12 and shall contain such information, as the state highways and transportation commission
13 reasonably may require.

14 2. Notwithstanding any provision of chapter 390, RSMo, chapter 622, RSMo, or
15 this chapter to the contrary, the state highways and transportation commission shall
16 consider and determine every application filed under subsection 1 of this section, upon the
17 same terms and conditions as provided in section 386.266, RSMo, with reference to the
18 public service commission's consideration and determination of applications by an
19 electrical, gas, or water corporation under that section.

20 3. In proceedings under this section, common carriers and the state highways and
21 transportation commission shall be governed by the statutes and rules of practice and
22 procedure that are applicable in motor carrier proceedings under chapters 387, 390, and
23 622, RSMo, except to the extent they are inconsistent with the requirements of this section.
24 The statutes and rules that generally govern public service commission proceedings
25 relating to electrical, gas, and water corporations shall not apply in proceedings under this
26 section.

390.021. 1. The provisions of this section shall be applicable, notwithstanding any
2 provisions of section 390.030 to the contrary.

3 2. As used in chapter 622, RSMo, and in this section, except when the context
4 clearly requires otherwise, the following terms shall mean:

5 (1) "UCR implementing regulations", includes the regulations issued by the United
6 States Secretary of Transportation under 49 U.S.C.A. Section 13908, the rules and
7 regulations issued by the board of directors of the Unified Carrier Registration (UCR) plan
8 under 49 U.S.C.A. Section 14504a, and the administrative rules adopted by the state
9 highways and transportation commission under this section;

10 (2) "Unified Carrier Registration Act", or "UCR Act", sections 4301 to 4308 of the
11 Unified Carrier Registration Act of 2005, within subtitle C of title IV of the "Safe,
12 Accountable, Flexible, Efficient Transportation Equity Act: A Legacy For Users" or
13 "SAFETEA-LU", Public Law 109-59 (119 Stat. 1761), as those sections have been and
14 periodically may be amended.

15 **3. Except when the context clearly requires otherwise, the definitions of words in**
16 **49 U.S.C. Sections 13102, 13908, and 14504a shall apply to and determine the meaning of**
17 **those words as used in this section.**

18 **4. In carrying out and being subject to the provisions of the UCR Act, the Unified**
19 **Carrier Registration (UCR) agreement, the UCR implementing regulations, and this**
20 **section, but notwithstanding any other provisions of law to the contrary, the state highways**
21 **and transportation commission may:**

22 **(1) Submit to the proper federal authorities, amend and carry out a state plan to**
23 **qualify as a base-state and to participate in the UCR plan and administer the UCR**
24 **agreement, and take other necessary actions as the designated representative of the state**
25 **of Missouri so that:**

26 **(a) Missouri domiciled entities who must register and pay UCR registration fees are**
27 **not required to register and pay those fees in a base-state other than the state of Missouri;**

28 **(b) The state of Missouri does not forfeit UCR registration fee revenues; and**

29 **(c) The state of Missouri may maintain its eligibility to receive the maximum**
30 **allowable allocations of revenues derived under the UCR agreement;**

31 **(2) Administer the UCR registration of Missouri domiciled motor carriers, motor**
32 **private carriers, brokers, freight forwarders and leasing companies, and such persons**
33 **domiciled in nonparticipating states who have designated this state as their base-state**
34 **under the UCR Act;**

35 **(3) Receive, collect, process, deposit, transfer, distribute, and refund UCR**
36 **registration fees relating to any of the persons and activities described in this section.**
37 **Notwithstanding any provisions of law to the contrary, these UCR registration fees**
38 **collected by the commission are hereby designated as "nonstate funds" within the meaning**
39 **of section 15, article IV, Constitution of Missouri, and the commission shall transmit these**
40 **funds to the state department of revenue for deposit to the credit of the state highways and**
41 **transportation department fund. The commission shall, from time to time, direct the**
42 **payment of, and the director of revenue shall pay, the fees so deposited, in accordance with**
43 **the provisions of the UCR Act, the UCR agreement, and the UCR implementing**
44 **regulations. The director of revenue shall credit all income derived from the investment**
45 **of these funds to the state highways and transportation department fund;**

46 **(4) Exercise all other powers, duties, and functions the UCR Act requires of or**
47 **allows a participating state or base-state;**

48 **(5) Promulgate administrative rules and issue specific orders relating to any of the**
49 **persons and activities described in this section. Any rule or portion of a rule, as that term**
50 **is defined in section 536.010, RSMo, that is created under the authority delegated in this**

51 section shall become effective only if it complies with and is subject to all of the provisions
52 of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter
53 536, RSMo, are nonseverable and if any of the powers vested with the general assembly
54 pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and
55 annul a rule are subsequently held unconstitutional, then the grant of rulemaking
56 authority and any rule proposed or adopted after August 28, 2007, shall be invalid and
57 void;

58 (6) Enter into agreements with any agencies or officers of the United States, or of
59 any state that participates or intends to enter into the UCR agreement; and

60 (7) Delegate any or all of the powers, duties, and functions of the commission under
61 this section to any agent or contractor.

62 5. After the commission has entered into the UCR plan on behalf of this state, the
63 requirements in the UCR agreement shall take precedence over any conflicting
64 requirements under chapter 622, RSMo, or this chapter.

65 6. Notwithstanding any other provisions of law to the contrary, every motor
66 carrier, motor private carrier, broker, freight forwarder, and leasing company that has its
67 principal place of business within this state, and every such person who has designated this
68 state as the person's base-state under the provisions of the UCR Act, shall timely complete
69 and file with the state highways and transportation commission all the forms required by
70 the UCR agreement and the UCR implementing regulations, and shall pay the required
71 UCR registration fees to the commission.

72 7. All powers of the commission under section 226.008, RSMo, are hereby made
73 applicable to the enforcement of this section with reference to any person subject to any
74 provision of this section. The chief counsel shall not be required to exhaust any
75 administrative remedies before commencing any enforcement actions under this section.
76 The provisions of chapter 622, RSMo, shall apply to and govern the practice and
77 procedures before the courts in those actions.

78 8. Except as required by the UCR Act, the UCR agreement, or the UCR
79 implementing regulations, the provisions of this section and the rules adopted by the
80 commission under this section shall not be construed as exempting any motor carrier, or
81 any person controlled by a motor carrier, from any of the requirements of chapter 622,
82 RSMo, or this chapter, relating to the transportation of passengers or property in
83 intrastate commerce.

390.030. 1. The provisions of this chapter shall not apply to:

- 25 subdivision shall not apply to motor carriers of persons operating to, from or between points
- 26 located wholly or in part in counties now or hereafter having a population of more than three

41 operators.

42 3. Except for the provisions of subdivision (5) of section 390.041, the provisions of this
43 chapter shall not apply to private carriers.

44 4. No agency of state government nor any county or municipality or their agencies shall
45 discriminate against any motor carrier or private carrier or deny any such carrier operating a
46 motor vehicle public access to any building, facility or area owned by or operated for the public
47 unless such discrimination or denial is based solely on reasonable vehicle size or weight
48 considerations. The provisions of this subsection shall only apply in cities not within a county
49 and first class counties with a charter form of government which adjoin any city not within a
50 county.

51 **5. Beginning January 1, 2008, the exemptions in subdivisions (8) and (10) of**

53 **household goods.**

390.372. 1. Notwithstanding any provision of law to the contrary, a provision,
2 **clause, covenant, or agreement contained in, collateral to, or affecting a motor carrier**
3 **transportation contract that purports to indemnify, defend, or hold harmless, or has the**
4 **effect of indemnifying, defending, or holding harmless, the promisee from or against any**
5 **liability for loss or damage resulting from the negligence or intentional acts or omissions**
6 **of the promisee is against the public policy of this state and is void and unenforceable.**

7 **2. For the purposes of this section, the following terms shall mean:**

9 **understanding covering:**

10 **(a) The transportation of property for compensation or hire by the motor carrier;**

11 **(b) The entrance on property by the motor carrier for the purpose of loading,**

407.732. 1. Any advertisement shall be nondeceptive and in plain language. Deception
2 may result not only from a direct statement in the advertisement and from reasonable inferences
3 therefrom, but also from omitting or obscuring a material restriction or fact.

4 2. Print advertisements that include prices for car rentals shall make clear and
5 conspicuous disclosure of the following applicable restrictions:

6 (1) The expiration date of the price offered if it is available for less than thirty days after
7 the last date of publication of the advertisement;

8 (2) The existence of any geographical limitations on use;

9 (3) The extent of any advance reservation or advance payment requirements;

10 (4) Airport access fee disclosure;

11 (5) The existence of any penalties or higher rates that may apply for early or late returns
12 for weekly or weekend rentals;

13 (6) Existence of additional driver fee;

14 (7) The existence of blackout dates or specific blackout dates for location specific
15 advertisements;

16 (8) Nonavailability of offer at all locations;

17 (9) Disclosure of mileage caps and charges;

18 (10) Disclosure of collision damage waiver costs.

19

20 Print advertisements that include prices for car rentals, where mileage fees apply to the
21 advertised price, shall prominently disclose this extraordinary material restriction. Print
22 advertisements that include prices for car rentals, where a company sells collision damage waiver
23 to the public and does not include this cost in the advertised rate, shall prominently disclose the
24 price for collision damage waiver.

25 3. Broadcast commercials that include prices shall indicate whether substantial
26 restrictions apply and shall include:

27 (1) The expiration date of the price offered if the advertised price is available for less
28 than thirty days;

29 (2) Nonavailability of the advertised price in certain locations if that is the case;

30 (3) Mileage limitations and charges, if any;

31 (4) Price or price range for collision damage waiver.

33 expected public demand for the rental cars advertised for the entire advertised period, beginning
34 on the day on which the advertisement appears and continuing at least thirty days thereafter,

35 unless the advertisement clearly and conspicuously discloses a shorter or longer expiration date
36 for the offer, and in that event, through the expiration date. Prices may be advertised although
37 less cars are available than would be required to meet the expected demand, as long as this
38 limitation is clearly and conspicuously set forth in the advertisement and a reasonable number
39 of cars are made available at the advertised price.

40 5. [Any surcharge or fee, including, but not limited to, fuel surcharges, airport access
41 fees, and surcharges in lieu of sales tax that consumers must generally pay at any location in
42 order to obtain or operate a rental vehicle shall be clearly and conspicuously disclosed when a
43 price is advertised] **Additional charges, including fuel surcharges, airport fees, and vehicle
44 license fees shall be clearly and conspicuously disclosed on the rental agreement. Vehicle
45 license fees include those costs incurred by a rental company to license, title, inspect,

47 is advertised, the maximum daily amount of each additional charge shall be quoted in
48 addition to the daily rate.**

49 6. A photograph of a rental car shall not be used in a price advertisement unless the
50 advertisement clearly and conspicuously discloses, in immediate proximity to the photograph,
51 the cost to rent the car depicted. A photograph of a rental car shall not be used in an
52 advertisement if the advertisement states directly or by implication that the automobile depicted
53 may be rented under certain conditions and that is not the case.

54 7. Any price advertised as a "daily price" or "price per day" shall be available for rentals
55 of a single day or more, and any price advertised as a "weekly" rate shall be available for the first
56 week and for subsequent weeks of the same rental. A rental company shall not charge more than
57 a weekly price which was advertised if a customer on a weekly rental returns the car earlier than
58 seven days. A price advertised as a "weekend rate" shall be available on both Saturday and
59 Sunday.

60 8. Any car rental advertising promotion which extends a free offer or promises a gift or
61 other incentive shall clearly and conspicuously disclose all the terms and conditions for receiving
62 the offer, gift or incentive. A gift, incentive, or other merchandise or service shall not be
63 advertised as free, if the cost of the item, in whole or in part, is included in the advertised rental
64 rate. If the gift or offer is provided by a third party, the car rental company shall be fully
65 responsible for providing the gift or offer under the terms and conditions disclosed.

66 9. A rental car shall not be advertised using the words "unlimited mileage" or other terms
67 that suggest there are absolutely no mileage restrictions on the use of the rental vehicle only
68 unless there are no geographical restrictions on the use of the vehicle.

69 10. At the time of the car rental transaction, the car rental company shall disclose the
70 following:

- 71 (1) The total cost, including any airport access fees;
72 (2) Geographical limitations;
73 (3) Advance reservation or payment requirements;
74 (4) Penalties or higher rates that may apply for early or late returns for weekly or
75 weekend rentals;
76 (5) Cost of additional driver fee;
77 (6) Blackout dates.

577.029. A licensed physician, registered nurse, or trained medical technician at the
2 place of his **or her** employment, acting at the request and direction of the law enforcement
3 officer, shall withdraw blood for the purpose of determining the alcohol content of the blood,
4 unless such medical personnel, in his **or her** good faith medical judgment, believes such
5 procedure would endanger the life or health of the person in custody. Blood may be withdrawn
6 only by such medical personnel, but such restriction shall not apply to the taking of a breath test,
7 a saliva specimen, or a urine specimen. In withdrawing blood for the purpose of determining the
8 alcohol content thereof, only a previously unused and sterile needle and sterile vessel shall be
9 utilized and the withdrawal shall otherwise be in strict accord with accepted medical practices.
10 [A nonalcoholic antiseptic shall be used for cleansing the skin prior to venapuncture.] Upon the
11 request of the person who is tested, full information concerning the test taken at the direction of

3 established a motor vehicle emissions inspection program pursuant to sections 643.300 to
4 643.355 shall be inspected and approved prior to sale or transfer; provided that, if such vehicle
5 is inspected and approved prior to sale or transfer, such vehicle shall not be subject to another
6 emissions inspection for ninety days after the date of sale or transfer of such vehicle. In addition,
7 any such vehicle manufactured as an even-numbered model year vehicle shall be inspected and
8 approved under the emissions inspection program established pursuant to sections 643.300 to
9 643.355 in each even-numbered calendar year and any such vehicle manufactured as an
10 odd-numbered model year vehicle shall be inspected and approved under the emissions
11 inspection program established pursuant to sections 643.300 to 643.355 in each odd-numbered

13 643.355 shall display a valid emissions inspection sticker, and when applicable, a valid
14 emissions inspection certificate shall be presented at the time of registration or registration
15 renewal of such motor vehicle. The department of revenue shall require evidence of [the] **any**
16 **applicable motor vehicle** safety **inspection** and emission inspection and approval required by
17 this section in issuing the motor vehicle annual registration in conformity with the procedure

18 required by sections 307.350 to 307.390, RSMo, and sections 643.300 to 643.355. The director
19 of revenue may verify that a successful safety and emissions inspection was completed via
20 electronic means.

21 2. The inspection requirement of subsection 1 of this section shall apply to all motor
22 vehicles except:

23 (1) Motor vehicles with a manufacturer's gross vehicle weight rating in excess of eight
24 thousand five hundred pounds;

25 (2) Motorcycles and motortricycles if such vehicles are exempted from the motor vehicle
26 emissions inspection under federal regulation and approved by the commission by rule;

27 (3) Model year vehicles manufactured prior to 1996;

28 (4) Vehicles which are powered exclusively by electric or hydrogen power or by fuels

32 643.300 to 643.355 which are domiciled and operated exclusively in an area of the state not
33 subject to the inspection requirements of sections 643.300 to 643.355, but only if the owner of
34 such vehicle presents to the department an affidavit that the vehicle will be operated exclusively
35 in an area of the state not subject to the inspection requirements of sections 643.300 to 643.355
36 for the next twenty-four months, and the owner applies for and receives a waiver which shall be
37 presented at the time of registration or registration renewal;

38 (6) New and unused motor vehicles, of model years of the current calendar year and of
39 any calendar year within two years of such calendar year, which have an odometer reading of less
40 than six thousand miles at the time of original sale by a motor vehicle manufacturer or licensed

51 the same period that the biennial safety inspection is conducted]; and

52 (11) Motor vehicles that are driven fewer than twelve thousand miles [between biennial
53 safety inspections] **on a biennial basis.**

54 3. The commission may, by rule, allow inspection reciprocity with other states having
55 equivalent or more stringent testing and waiver requirements than those established pursuant to
56 sections 643.300 to 643.355.

57 4. (1) At the time of sale, a licensed motor vehicle dealer, as defined in section 301.550,
58 RSMo, may choose to sell a motor vehicle subject to the inspection requirements of sections
59 643.300 to 643.355 either:

60 (a) With prior inspection and approval as provided in subdivision (2) of this subsection;
61 or

62 (b) Without prior inspection and approval as provided in subdivision (3) of this
63 subsection.

64 (2) If the dealer chooses to sell the vehicle with prior inspection and approval, the dealer
65 shall disclose, in writing, prior to sale, whether the vehicle obtained approval by meeting the
66 emissions standards established pursuant to sections 643.300 to 643.355 or by obtaining a waiver
67 pursuant to section 643.335. A vehicle sold pursuant to this subdivision by a licensed motor
68 vehicle dealer shall be inspected and approved within the one hundred twenty days immediately
69 preceding the date of sale, and, for the purpose of registration of such vehicle, such inspection
70 shall be considered timely.

71 (3) If the dealer chooses to sell the vehicle without prior inspection and approval, the
72 purchaser may return the vehicle within ten days of the date of purchase, provided that the
73 vehicle has no more than one thousand additional miles since the time of sale, if the vehicle fails,
74 upon inspection, to meet the emissions standards specified by the commission and the dealer
75 shall have the vehicle inspected and approved without the option for a waiver of the emissions
76 standard and return the vehicle to the purchaser with a valid emissions certificate and sticker
77 within five working days or the purchaser and dealer may enter into any other mutually
78 acceptable agreement. If the dealer chooses to sell the vehicle without prior inspection and
79 approval, the dealer shall disclose conspicuously on the sales contract and bill of sale that the
80 purchaser has the option to return the vehicle within ten days, provided that the vehicle has no
81 more than one thousand additional miles since the time of sale, to have the dealer repair the
82 vehicle and provide an emissions certificate and sticker within five working days if the vehicle
83 fails, upon inspection, to meet the emissions standards established by the commission, or enter
84 into any mutually acceptable agreement with the dealer. A violation of this subdivision shall be
85 an unlawful practice as defined in section 407.020, RSMo. No emissions inspection shall be
86 required pursuant to sections 643.300 to 643.360 for the sale of any motor vehicle which may
87 be sold without a certificate of inspection and approval, as provided pursuant to subsection 2 of
88 section 307.380, RSMo.

2 **Section 1. 1. Notwithstanding any rule or law to the contrary, the department of**
3 **revenue shall promulgate a uniform and simplified rule for all motor fuel tax exemptions.**
4 **This uniform and simplified rule shall preempt all similar existing rules, shall minimize,**
5 **if applicable, the time between requesting a refund and receiving a refund, and shall**
6 **ensure that any document and administrative burdens be kept to a minimum and be**
7 **shared equitably by the fuel wholesaler or fuel retailer and the tax exempt entity.**

8 **2. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo,**
9 **that is created under the authority delegated in this section shall become effective only if**
10 **it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if**
11 **applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable**
12 **and if any of the powers vested with the general assembly under chapter 536, RSMo, to**
13 **review, to delay the effective date, or to disapprove and annul a rule are subsequently held**
14 **unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted**
after August 28, 2007, shall be invalid and void.

 Section B. The repeal and reenactment of sections 302.272, 302.275, and 302.321 of this
2 act shall become effective January 1, 2008.

 Section C. Because of the need to ensure that private organizations are not financially
2 restrained from providing transportation services to children in buses that otherwise address the
3 safety concerns of the child passenger restraint law, and because of the need to provide Missouri
4 motorists with a method to replace stolen license plate tabs without administrative red tape and
5 because of the need to verify the payment of registration fees, the repeal and reenactment of
6 sections 301.301 and 307.179 of section A of this act is deemed necessary for the immediate
7 preservation of the public health, welfare, peace, and safety, and is hereby declared to be an
8 emergency within the meaning of the constitution, and the repeal and reenactment of sections
9 301.301 and 307.179 of section A of this act shall be in full force and effect upon its passage and
10 approval.
