Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 135.535, RSMo, is repealed and two new sections
2 enacted in lieu thereof, to be known as sections 135.535 and 135.562, to read as
3 follows:

2 sole proprietorship, which moves its operations from outside Missouri or outside
3 a distressed community into a distressed community, or which commences
4 operations in a distressed community on or after January 1, 1999, and in either

12 pursuant to chapter 143, 147 or 148, RSMo, other than taxes withheld pursuant
13 to sections 143.191 to 143.265, RSMo, for each of the three years after such move,
14 if approved by the department of economic development, which shall issue a
15 certificate of eligibility if the department determines that the taxpayer is eligible
16 for such credit. The maximum amount of credits per taxpayer set forth in this
17 subsection shall not exceed one hundred twenty-five thousand dollars for each of
18 the three years for which the credit is claimed. The department of economic

19 development, by means of rule or regulation promulgated pursuant to the
20 provisions of chapter 536, RSMo, shall assign appropriate North American
21 Industry Classification System numbers to the companies which are eligible for
22 the tax credits provided for in this section. Such three-year credits shall be
23 awarded only one time to any company which moves its operations from outside
24 of Missouri or outside of a distressed community into a distressed community or
25 to a company which commences operations within a distressed community. A
26 taxpayer shall file an application for certification of the tax credits for the first
27 year in which credits are claimed and for each of the two succeeding taxable years
28 for which credits are claimed.

29 2. Employees of such facilities physically working and earning wages for
30 that work within a distressed community whose employers have been approved
31 for tax credits pursuant to subsection 1 of this section by the department of
32 economic development for whom payroll taxes are paid shall also be eligible to
33 receive a tax credit against individual income tax, imposed pursuant to chapter
34 143, RSMo, equal to one and one-half percent of their gross salary paid at such
35 facility earned for each of the three years that the facility receives the tax credit
36 provided by this section, so long as they were qualified employees of such
37 entity. The employer shall calculate the amount of such credit and shall report
38 the amount to the employee and the department of revenue.

39 3. A tax credit against income taxes owed pursuant to chapter 143, 147
40 or 148, RSMo, other than the taxes withheld pursuant to sections 143.191 to
41 143.265, RSMo, in lieu of the credit against income taxes as provided in
42 subsection 1 of this section, may be taken by such an entity in a distressed
43 community in an amount of forty percent of the amount of funds expended for
44 computer equipment and its maintenance, medical laboratories and equipment,
45 research laboratory equipment, manufacturing equipment, fiber optic equipment,
46 high speed telecommunications, wiring or software development expense up to a
47 maximum of seventy-five thousand dollars in tax credits for such equipment or
48 expense per year per entity and for each of three years after commencement in
49 or moving operations into a distressed community.

50 4. A corporation, partnership or sole partnership, which has no more than
51 one hundred employees for whom payroll taxes are paid, which is already located
52 in a distressed community and which expends funds for such equipment pursuant
53 to subsection 3 of this section in an amount exceeding its average of the prior two
54 years for such equipment, shall be eligible to receive a tax credit against income

55 taxes owed pursuant to chapters 143, 147 and 148, RSMo, in an amount equal to
56 the lesser of seventy-five thousand dollars or twenty-five percent of the funds
57 expended for such additional equipment per such entity. Tax credits allowed
58 pursuant to this subsection or subsection 1 of this section may be carried back to
59 any of the three prior tax years and carried forward to any of the five tax years.

60 5. An existing corporation, partnership or sole proprietorship that is
61 located within a distressed community and that relocates employees from another
62 facility outside of the distressed community to its facility within the distressed
63 community, and an existing business located within a distressed community that
64 hires new employees for that facility may both be eligible for the tax credits
65 allowed by subsections 1 and 3 of this section. To be eligible for such tax credits,
66 such a business, during one of its tax years, shall employ within a distressed
67 community at least twice as many employees as were employed at the beginning
68 of that tax year. A business hiring employees shall have no more than one

70 shall only apply to a business which is a manufacturing, biomedical, medical
71 devices, scientific research, animal research, computer software design or
72 development, computer programming or telecommunications business, or a
73 professional firm.

74 6. Tax credits shall be approved for applicants meeting the requirements
75 of this section in the order that such applications are received. Certificates of tax

87 taxpayers for the credit as provided for in subsection 6 of this section shall use
88 information provided by the department of revenue regarding taxes paid in the
89 previous year, or projected taxes for those entities newly established in the state,
90 as the method of determining when this maximum will be reached and shall

91 maintain a record of the order of approval. Any tax credit not used in the period
92 for which the credit was approved may be carried over until the full credit has
93 been allowed.

94 8. A Missouri employer relocating into a distressed community and having
95 employees covered by a collective bargaining agreement at the facility from which
96 it is relocating shall not be eligible for the credits in subsection 1, 3, 4 or 5 of this
97 section, and its employees shall not be eligible for the credit in subsection 2 of
98 this section if the relocation violates or terminates a collective bargaining
99 agreement covering employees at the facility, unless the affected collective
100 bargaining unit concurs with the move.

101 9. Notwithstanding any provision of law to the contrary, no taxpayer shall
102 earn the tax credits allowed in this section and the tax credits otherwise allowed
103 in section 135.110, or the tax credits, exemptions, and refund otherwise allowed
104 in sections 135.200, 135.220, 135.225 and 135.245, respectively, for the same
105 business for the same tax period.

4 individual with a disability who permanently resides with the taxpayer,
5 such taxpayer shall receive a tax credit against such taxpayer's
6 Missouri income tax liability in an amount equal to the lesser of one
7 hundred percent of such costs or two thousand five hundred dollars per
8 taxpayer, per tax year.**

9 **2. Any taxpayer with a federal adjusted gross income greater
10 than thirty thousand dollars but less than sixty thousand dollars who

14 tax credit against such taxpayer's Missouri income tax liability in an
15 amount equal to the lesser of fifty percent of such costs or two
16 thousand five hundred dollars per taxpayer, per tax year.**

17 **3. Tax credits issued pursuant to this section may be refundable

31 5. The tax credits allowed, including the maximum amount that
32 may be claimed, pursuant to this section shall be reduced by one-third
33 to the extent a taxpayer has already deducted such costs from such
34 taxpayer's federal adjusted gross income or applied any other state or
35 federal income tax credit to such costs.

36 6. A taxpayer shall claim a credit allowed by this section in the
37 same taxable year as the credit is issued, and at the time such taxpayer
38 files his or her Missouri income tax return; provided that, such return
39 is timely filed.

40 7. The department may, in consultation with the department of
41 social services, promulgate such rules or regulations as are necessary
42 to administer the provisions of this section. Any rule or portion of a
43 rule, as that term is defined in section 536.010, RSMo, that is created
44 under the authority delegated in this section shall become effective
45 only if it complies with and is subject to all of the provisions of chapter
46 536, RSMo, and, if applicable, section 536.028, RSMo. This section and
47 chapter 536, RSMo, are nonseverable and if any of the powers vested
48 with the general assembly pursuant to chapter 536, RSMo, to review, to
49 delay the effective date or to disapprove and annul a rule are
50 subsequently held unconstitutional, then the grant of rulemaking
