charter city with a population of over four hundred thousand and located in four or more counties is hereby authorized to impose, by ordinance, a sales tax on all retail sales which are subject to taxation under the provisions of sections 144.010 to 144.525, RSMo, for the purpose of providing funds for flood relief projects in that city. The tax authorized by this section shall be authorized only to the extent a city may seek authority from its voters under section 94.577 to impose a capital improvements sales tax. The sum of sales taxes imposed by a city under the authority of section 94.577 and this section shall not exceed one-half of one percent. The ordinance shall become effective after the governing body of the city submits to the voters of that city a proposal to authorize the tax. Notwithstanding the provisions of chapter 115, RSMo, to the contrary, all required notice shall be provided to all entities specified in sections 115.125 and 115.127, RSMo, within one business day of adoption of the ordinance calling an election as a result of a flooding emergency, and the provisions of section 115.123, RSMo, shall not apply. However, election authorities shall provide notice one time as soon as feasible after receiving notice from the city calling the election consistent with the publication requirements of chapter 115, RSMo.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the city of ........................(name of city) impose a sales tax of ............................... (insert amount) for ............................... (insert term) for the purpose of funding flood relief projects?

 $\square$  YES  $\square$  NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance shall be in effect, beginning the first day of the second calendar quarter following its adoption. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the city shall have no power to impose the sales tax authorized in this section unless and until the governing body of the city shall again have submitted another such proposal and the proposal is approved by the requisite majority of the qualified voters voting thereon. Any subsequent election shall not be excused from the requirements of chapter 115, RSMo.

- 3. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax in the same manner as provided in sections 94.500 to 94.550, and the director of revenue shall collect in addition to the sales tax for the state of Missouri the additional tax authorized under the authority of this section. The tax imposed pursuant to this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the tax shall go into effect on the first day of the next calendar quarter beginning after its adoption and notice to the director of revenue, but no sooner than thirty days after such adoption and notice. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed under this section.
- 4. The sales tax may be approved at a rate of one-eighth of one percent, one-fourth of one percent, three-eighths of one percent or one-half of one percent, but in no event shall the sum of the tax imposed by this section and section 94.577, in one or more elections, exceed one-half of one percent of the receipts from the sale at retail of all tangible personal property and taxable services at retail within any city adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525, RSMo. Whether approved at one or more elections, the flood relief sales tax rate may not exceed the available taxing authority of the city.
- 5. All revenue generated from the tax authorized under the provisions of this section shall be deposited into the "Flood Relief Projects Fund", which is hereby created in the state treasury. The fund moneys shall be distributed to the city from which the revenue was generated for the sole purpose of funding flood relief projects. Once the tax authorized by this section is abolished or terminated by any means, all funds remaining in the fund shall be used solely for that purpose.
- 6. Any sales tax imposed pursuant to this section shall expire no later than two years from the date of its inception.]

[391.140. The county commission of any county of this state or the municipal authorities of any incorporated city or town, which now has a population of fifty thousand inhabitants or more and adjoining a city which now has or may hereafter have a population of three hundred thousand inhabitants or more shall have the power and authority when petitioned by a majority of the owners of the land representing more than one-half of the frontage along any public road or street of this state, upon which is now constructed or may hereafter be constructed more than two street railroad tracks, stating in said petition that said public road or street has more than two tracks constructed thereon, and the same is rendered impracticable by reason thereof, the commission may compel said railroad company or companies, or any of said companies, to take up and remove its said track or tracks so as not to leave more than two tracks on said road or street, first giving said railroad company or companies ten days' notice for the time of filing said petition.]

> [391.160. 1. When any street railroad company shall be desirous of using the tracks of any other street railroad company, or shall have been ordered by the county commission or the municipal authorities of any city or town to remove any of its tracks from any public road or street, and shall have been authorized by the county commission or municipal authorities to operate and run its cars over the tracks of any other street railroad company upon the payment of just compensation, and an agreement cannot be had between such companies as to the compensation to be paid therefor by the company so desiring or authorized to run its cars over the tracks of such other company, the company desiring to use the track shall make written application to that effect to the county commission or the municipal authorities, accompanied by plans and specifications showing the extent of the track to be used, first giving ten days' notice to the railroad company whose tracks are to be used, of the time and purport of such application.

- 2. Upon filing of the same with the county commission, or the municipal authorities of any incorporated city or town, with evidence of notice, the county commission, or the mayor of any incorporated city or town, shall give notice to each of the companies to report to the commission, or to the mayor of such city or town, in writing, within ten days thereafter, the name and address of one disinterested resident of the county to act as its chosen track compensation commissioner.

Upon the expiration of the ten days, the county commission, or the mayor of any incorporated city or town, shall appoint a third disinterested resident of the county to act as a track compensation commissioner, and shall also appoint one such resident of the county to represent either of such companies which shall have refused or neglected to appoint a track compensation commissioner within the time prescribed in this section.
- 4. Thereupon the county commission or the mayor, if in the corporate limits of any city or town, shall give notice to the track compensation commissioners so appointed of their appointment, and shall turn over to them all papers in the possession of the county commission or in the possession of the municipal authorities, relating to the matter in controversy, and in case of

vacancy in such board of track compensation commissioners, caused by death or refusal to serve of any of the commissioners, or for any other cause whatever, the county commission or mayor shall appoint a track compensation commissioner to fill such vacancy. When appointed, the commissioners shall proceed to determine the compensation to be paid and the time and manner of its payment.]

[391.170. Upon the reception of said report of the track compensation commissioners by the county commission, or the clerk thereof in vacation, or the mayor of any city or town, the same shall be filed, together with all papers pertaining to the proceedings, and the clerk of the county commission, or the mayor of any city or town, shall immediately notify the parties of the decision of the track compensation commissioners, and thereupon and on payment by the company making the application, together with all costs and expenses of the track compensation commissioners, and upon the filing with the county commission, or the mayor of any city or town, a good and sufficient bond, to be approved by the county commission, or the mayor of any such city or town, conditioned for the payment to the company whose track or tracks are to be used, of such additional compensation as may be ordered to be paid by the county commission or the municipal authorities of any city or town, or by the circuit court, on any proceedings therein, then said company shall be entitled without further delay to enter upon and run its cars over the track or part of track mentioned and described in the report of such commissioners.]

[391.180. Upon the filing of such report of the track compensation commissioners, the clerk of the county commission, or the mayor of any city or town, shall notify both parties to the controversy of the filing thereof, and either party to such controversy may, at any time within ten days after the service of such notice as aforesaid, appeal to the circuit court for a review of the report of the track compensation commissioners, by filing with the clerk of the county commission, or the mayor of any such incorporated city or town, written exceptions to said report and serving a copy of said exceptions upon the opposite party, together with notice of the time of filing the same, and the court may thereupon make such orders therein as right and justice may require, and may order a new appraisement in the manner herein prescribed, upon good cause shown; but notwithstanding such

appeal, the company may operate its cars over such track or parts of the track as the report of the track compensation commissioners may designate, and any subsequent proceedings shall affect only the amount of compensation to be paid and the manner and time of payment.]

[391.190. 1. The company using the tracks, or parts of the track of another company, under the provisions of sections 391.140 to 391.180, shall run its cars while on said track at the same rate of speed as the cars of the company owning said track, and shall construct and keep its connections with the track of the company so as not to delay or interfere with the cars of the company owning the track. Any company using the track of another company, in whole or in part, shall charge no more than one fare over its whole line.

2. Any company required under the provisions of sections 391.140 to 391.180, to take up and remove its said track or tracks shall repair the road or street in as good condition as before the taking up of said track, and with the same material and under the supervision of the commissioner of roads and bridges.]

[391.260. It shall be the duty of every corporation, or company that now or hereafter may own, control, operate or manage any electrical railway in any part of this state, to furnish a heater in the front vestibule of the car for the convenience, health and comfort of the conductor and motorman operating, controlling and in charge of any and all its cars. [400.9-629. (1) If it is established that the secured party is not proceeding in accordance with the provisions of this part disposition may be ordered or restrained on appropriate terms and conditions. If the disposition has occurred the debtor or any person entitled to notification or whose security interest has been made known to the secured party prior to the disposition has a right to recover from the secured party any loss caused by a failure to comply with the provisions of this part. If the collateral is consumer goods, the debtor has a right to recover in any event an amount not less than the credit service charge plus ten percent of the principal amount of the debt or the time price differential plus ten percent of the cash price.

(2) The fact that a better price could have been obtained by a sale at a different time or in a different method from that selected by the secured party is not of itself sufficient to establish that the sale was not made in a commercially reasonable manner. If the secured party either sells the collateral in the usual manner in any recognized market therefor or if he sells at the price current in such market at the time of his sale or if he has otherwise sold in conformity with reasonable commercial practices among dealers in the type of property sold he has sold in a commercially reasonable manner. The principles stated in the two preceding sentences with respect to sales also apply as may be appropriate to other types of disposition. A disposition which has been approved in any judicial proceeding or by any bona fide creditors' committee or representative of creditors shall conclusively be deemed to be commercially reasonable, but this sentence does not indicate that any such approval must be obtained in any case nor does it indicate that any disposition not so approved is not commercially reasonable.

[447.721. 1. There is hereby created in the state treasury the "Contiguous Property Redevelopment Fund", which shall consist of all moneys appropriated to the fund, all moneys required by law to be deposited in the fund, and all gifts, bequests or donations of any kind to the fund. The fund shall be administered by the department of economic development. Subject to appropriation, the fund shall be used solely for the administration of and the purposes described in this section. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the fund shall not be transferred to the general revenue fund at the end of the biennium; provided, however, that all moneys in the fund on August 28, 2006, shall be transferred to the general revenue fund and the fund shall be abolished as of that date. The governing body of any city not within a county, any county of the first classification without a charter form of government and a population of more than two hundred seven thousand but less than three hundred thousand, any county of the first classification with a population of more than nine hundred thousand, any county of the first classification without a charter form of government and with a population of more than eighty-five thousand nine hundred but less than eighty-six thousand, any city with a population of more than three hundred fifty thousand that is located in more than one county or any county of the first classification with a charter form of government and a population of more then six hundred thousand but less than nine hundred thousand may apply to the department of economic development for a grant from the contiguous property redevelopment fund. The department of economic development may promulgate the form for such applications in a manner consistent with this section. Grants from the fund may be made to the governing body to assist the body both acquiring multiple contiguous properties within such city

For purposes of this section, "initial redeveloping" shall include all allowable costs, as that term is defined in section 447.700, and any other costs involving the improvement of the property to a state in which its redevelopment will be more economically feasible than such property would have been if such improvements had not been made.

- 3. In awarding grants pursuant to this section, the department shall give preference to those projects which propose the assembly of a greater number of acreage than other projects and to those projects which show that private interest exists for usage of the property once any redevelopment aided by grants pursuant to this section is completed.
- 4. The department of economic development may promulgate rules for the enforcement of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

EXPLANATION: This section is ineffective by its own provisions; it contains an antiquated provision regarding damages assessed against a married woman.

5 marriage did not exist.]

EXPLANATION: This section is ineffective by its own provisions; it applied to attorneys representing an indigent client in 1982.

[600.094. 1. Any attorney who on April 1, 1982, is representing an indigent as an appointed counsel shall continue the legal representation of such person until the case is concluded or until the director on behalf of the state public defender system, with the approval of the appropriate court, agrees to assume the representation of the indigent.

2. Appointed counsel who continues to represent a client pursuant to subsection 1 of this section shall present any claims for expenses or fees to the director for payment in accordance with the provisions of sections 600.011 to 600.048 and 600.086 to 600.096 relating to assigned counsel reimbursement.]

EXPLANATION: This section is ineffective by its own provisions; the submission of the proposed plan was due September 1, 1992.

[620.528. No later than September 1, 1992, the Missouri training and employment council shall submit to the governor and to the general assembly a proposed statewide training and employment policy. The policy shall also address methods to improve federal and state resource use in the providing of job training services and coordination of training and employment activities with other related activities.]

EXPLANATION: This section expired 12-31-01.

[620.1310. 1. There is hereby created within the department of economic development the "Task Force on Trade and Investment". The primary duty of the task force is to establish international trade and investment opportunities for Missouri businesses, with a special emphasis on establishing trade and investment opportunities with African countries having a democratic form of government. - 2. The task force created in this section shall be comprised of fifteen members, appointed in the following manner:

EXPLANATION: This section is ineffective; the conditions set forth in this section to delay the effective date for SB 590 enacted in 1994 were not met (see Attorney General's explanation dated 4/3/96).

[643.360. This act shall not take effect until a cause of action is filed by the attorney general on behalf of the state of Missouri and other appropriate parties in a federal court of appropriate jurisdiction requesting injunctive relief and to test the constitutionality and legality of sanctions threatened by the Environmental Protection Agency pursuant to the federal Clean Air Act, as amended, 42 U.S.C. 7401, et seq., and shall not take effect so long as a temporary restraining order or injunction relating to such sanctions shall be in effect. Such action may allege, among others, that the standards which determine that the St. Louis metropolitan statistical area is a nonattainment area are unreasonable in relation to the sanctions sought to be imposed by the Environmental Protection Agency by virtue of the following:

- (1) That there is not sufficient substantial evidence to demonstrate a rational relationship between the ambient air conditions in the St. Louis metropolitan statistical area and the penalties sought to be imposed by the Environmental Protection Agency;
- (2) That the standards which determine that the St. Louis metropolitan statistical area is a nonattainment area and the

penalties threatened by the Environmental Protection Agency are arbitrary and lack a rational relationship to the overall purpose of the federal Clean Air Act, as amended, 42 U.S.C. 7401, et seq. in that;

- (a) That at only one of the seventeen monitoring sites in the St. Louis metropolitan statistical area have there been more than the allowed number of exceedances during the past three years; and
- (b) That for the exceedances at that single monitoring site, there exist purely local causes which do not reflect nor bear a true relationship to the ambient air quality of the St. Louis metropolitan statistical area; and
- (3) That the penalties available to be imposed by the Environmental Protection Agency are unreasonable and arbitrary and bear no rational relationship to the ambient air quality of the St. Louis metropolitan statistical area in that:
- (a) At the single exceeding monitoring site there exist purely local causes for the exceedances which do not bear a true relationship nor reflect the actual ambient air quality of the St. Louis metropolitan statistical area;
- (b) That the state of Missouri should be given a reasonable time to correct the exceedances at the single exceeding site and the penalties should not be assessed nor accrue prior to such time;
- (c) That it is unreasonable to impose on the state of Missouri the obligation to expend an estimated one hundred twenty-five million dollars to reach attainment based upon the single exceeding site and the existing local causes for the exceedances where those do not reflect nor bear a true relationship to the ambient air quality of the St. Louis metropolitan statistical area;
- (d) That the fifteen percent reduction in volatile organic compound requirement in the federal Clean Air Act bears no relationship to the actual ambient air quality of the St. Louis metropolitan statistical area because the reduction is mandated by the Environmental Protection Agency whether or not the St. Louis metropolitan statistical area reaches attainment status.]

## 57 EXPLANATION OF CONTINGENT EFFECTIVE DATE:

April 3, 1996

59 RE: State of Missouri v. United States Civil Action No. 4:94CV1288

60 "As you are aware, SB 590 contains a provision indicating that it would not 61 take effect until a cause of action was filed by this office on behalf of the state in

Federal Court testing the constitutionality and legality of the sanctions threatened by the Environmental Protection Agency (EPA). Also, the Act would not take effect as long as any TRO or injunction relating to EPA's sanction would be in effect. See § 643.360, RSMo. "Please be advised that on July 1, 1994, this office filed a complaint in the United States District Court for the Eastern District of Missouri requesting injunctive relief and challenging the constitutionality and legality of the threatened sanctions by the EPA. Although a temporary restraining order, preliminary injunction and permanent injunction were all sought in the course of that matter, to date, no such relief has been entered by the court."
