Senator Days raised the point of order that the committee report made by the Committee on Education is out of order as it relates to Senate Bill No. 389; stating that the report indicates that the committee recommended “do pass” on senate committee substitute number 2 for senate bill 389. However, senate committee substitute number 2 was exactly the same as senate committee substitute number 1 before it was amended. Therefore, it was not a true substitute. ## RESOLUTIONS

President Pro Tem Gibbons, joined by the entire membership offered the following resolution, which was read:

### SENATE RESOLUTION NO. 329

Whereas, the members of the Missouri Senate feel it is altogether fitting and proper to pause from time to time to recognize the outstanding organizations and individuals who have contributed materially to the well-being of the citizens of this great state; and

Whereas, the St. Louis Baseball Cardinals brought great honor and esteem to the State of Missouri, the City of St. Louis, and the new Busch Stadium when they won the 2006 World Series; and

Whereas, since 1892, Missourians have been treated to over 113 consecutive years of National League Baseball, and the Cardinals have won over 8,600 games, ten World Series, seventeen National League Pennants, three National League Eastern Division titles, and five National League Central Division titles; and

Whereas, the Cardinals, with the development of the new ballpark and Ballpark Village, have invested over one billion dollars in private funds in the State of Missouri with one of downtown St. Louis's largest projects in history; and

Whereas, in the first season at the new Busch Stadium, the Cardinals won the first and last games played there; won their tenth World Series, the second most of any Major League team; won their first World Series championship in twenty-four years; won their seventeenth National League Pennant; and reached the post-season for the twenty-second time; and

Whereas, the Cardinals reached the post-season for the sixth time in the last seven years, reached the World Series for the second time in three years, and won the National League Central Division for the third year in a row; and

Whereas, the Cardinals welcomed 3,407,104 fans in the new Stadium's first year, over one million of them from outside the state of Missouri, and the Cardinals became the first team since the 1923 New York Yankees to win the World Series in the first year in a new stadium; and

Whereas, since its inception in 1997, Cardinals Care, the team's charitable foundation, has donated over ten million dollars to charities supporting children and has donated well in excess of one hundred thousand tickets every year to worthy organizations; and

Whereas, forty former Cardinals players and managers are enshrined in the National Baseball Hall of Fame:

Now, Therefore, Be It Resolved that we, the members of the Missouri Senate, Ninety-fourth General Assembly, extend our congratulations to the St. Louis Baseball Cardinals on the occasion

of their winning the 2006 World Series and extend our gratitude to them for the honor they have bestowed upon this state; and
