“301.560. 1. In addition to the application forms prescribed by the department, each applicant shall submit the following to the department:

(1) Every application other than a renewal application for a motor vehicle franchise dealer shall include a certification that the applicant has

a bona fide established place of business. When the application is being made for licensure as a manufacturer, motor vehicle dealer, wholesale motor vehicle dealer, wholesale motor vehicle auction or a public motor vehicle auction, certification shall be performed by a uniformed member of the Missouri state highway patrol stationed in the troop area in which the applicant's place of business is located; except, that in counties of the first classification, certification may be performed by an officer of a metropolitan police department when the applicant's established place of business of distributing or selling motor vehicles or trailers is in the metropolitan area where the certifying metropolitan police officer is employed. When the application is being made for licensure as a boat manufacturer or boat dealer, certification shall be performed by a uniformed member of the Missouri state water patrol stationed in the district area in which the applicant's place of business is located or by a uniformed member of the Missouri state highway patrol stationed in the troop area in which the applicant's place of business is located or, if the applicant's place of business is located within the jurisdiction of a metropolitan police department in a first class county, by an officer of such metropolitan police department. A bona fide established place of business for any new motor vehicle franchise dealer or used motor vehicle dealer shall include a permanent enclosed building or structure, either owned in fee or leased and actually occupied as a place of business by the applicant for the selling, bartering, trading or exchanging of motor vehicles or trailers and wherein the public may contact the owner or operator at any reasonable time, and wherein shall be kept and maintained the books, records, files and other matters required and necessary to conduct the business. The applicant's place of business shall contain a working telephone which shall be maintained during the entire registration year. In order to qualify as a bona fide established place of business for all applicants licensed pursuant to this section there shall be an exterior

sign displayed carrying the name of the business set forth in letters at least six inches in height and clearly visible to the public and there shall be an area or lot which shall not be a public street on which one or more vehicles may be displayed, except when licensure is for a wholesale motor vehicle dealer, a lot and sign shall not be required. The sign shall contain the name of the dealership by which it is known to the public through advertising or otherwise, which need not be identical to the name appearing on the dealership's license so long as such name is registered as a fictitious name with the secretary of state, has been approved by its line-make manufacturer in writing in the case of a new motor vehicle franchise dealer and a copy of such fictitious name registration has been provided to the department. When licensure is for a boat dealer, a lot shall not be required. In the case of new motor vehicle franchise dealers, the bona fide established place of business shall include adequate facilities, tools and personnel necessary to properly service and repair motor vehicles and trailers under their franchisor's warranty. **Dealers who sell only emergency vehicles as defined in section 301.550 are exempt from maintaining a bona fide place of business, including the related law enforcement certification requirements, and from meeting the minimum yearly sales;**

Applicants shall not be required to submit a photograph annually unless the business has moved from its previously licensed location, or unless the name of the business or address has changed, or unless the class of business has changed;

(3) If the application is for licensure as a wholesale motor vehicle dealer or as a boat dealer, the application shall contain the business address, not a post office box, and telephone number of the place where the books, records, files and other matters required and necessary to conduct the business are located and where the same may be inspected during normal daytime business hours. The bond or irrevocable letter of credit shall be conditioned upon the dealer complying with the provisions of the statutes applicable to new motor vehicle franchise dealers, used motor vehicle dealers, wholesale motor vehicle dealers and boat dealers, and the bond shall be an indemnity for any loss sustained by reason of the acts of the person bonded when such acts constitute grounds for the suspension or revocation of the dealer's license. In establishing the amount of the annual license fees, the department shall, as near as possible, produce sufficient total income to offset operational expenses of the department relating to the administration of sections 301.550 to 301.573. All fees payable pursuant to the provisions of sections 301.550 to 301.573, other than those fees collected for the issuance of dealer plates or certificates of number collected pursuant to subsection 6 of this section, shall be collected by the department for deposit in the state treasury to the credit of the "Motor Vehicle Commission Fund", which is hereby created. The motor vehicle commission fund shall be administered by the Missouri department of revenue. [The provisions of section 33.080, RSMo, to the contrary notwithstanding, money in such fund shall not be transferred and placed to the credit of the general revenue fund until the amount in the motor vehicle commission fund at the end of the biennium exceeds two times the amount of the appropriation from such fund for the preceding fiscal year or, if the department requires permit renewal less frequently than yearly, then three times the appropriation from such fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the multiple of the appropriation from such fund for the preceding fiscal year.] **At the end of each biennium and after all statutorily or constitutionally required transfer of funds have been made, the state treasurer shall transfer the balance in the motor vehicle commission fund, except for gifts, donations, bequests, or money received from a federal source, in excess of two hundred percent of the previous fiscal year's expenditures into the state**

SENATE COMMITTEE SUBSTITUTE FOR SENATE BILLS NOS. 370, 375 and 432

An Act to repeal sections 170.015, 188.015, 188.075, and 197.200, RSMo, and to enact in lieu thereof six new sections relating to abortion, with penalty provisions.

Was taken up.

Senator Shields assumed the Chair.

Senator Bray offered **SA 1**, which was read:

SENATE AMENDMENT NO. 1

Amend Senate Committee Substitute for Senate Bills Nos. 370, 375 and 432, Page 6, Section 188.325, Line 56, by inserting immediately after said line the following:

“6. Moneys expended under this section and section 188.335 shall not be granted to organizations or affiliates of organizations unless such organizations inform patients or clients, both orally and in writing, if their counseling or other services do not include abortion care or abortion referrals. Additionally, such organizations and affiliates shall disclose to patients or clients at the earliest contact whether their counseling or other services are provided with the goal of deterring abortion.”

Senator Bray moved that the above amendment be adopted, which motion failed.

Senator Engler assumed the Chair.

Senator Wilson raised the point of order that **SCS** for **SBs 370**, **375** and **432** is out of order stating that Section 170.015 of the committee substitute violates the single subject provision of the constitution, in that it deals with sex education and not abortion.

The point of order was referred to the President Pro Tem who ruled it not well taken.

Senator Rupp assumed the Chair.

Senator Engler assumed the Chair.

Senator Callahan offered **SA 2**:

SENATE AMENDMENT NO. 2

Amend Senate Committee Substitute for Senate Bills Nos. 370, 375 and 432, Page 4, Section 188.015, Lines 14-31, by striking all of said lines and by inserting in lieu thereof the following:

“(5) ‘Fertilization’, that point in time when

a male human sperm penetrates the zona pellucida of a female human ovum;

(6) “Gestational age”, length of pregnancy as measured from the first day of the woman's last menstrual period;

(7) “Medical emergency”, a condition which, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create a serious risk of substantial and irreversible impairment of a major bodily function of the pregnant woman;

[(5)] (8) “Physician”, any person licensed to practice medicine in this state by the state board of registration of the healing arts;

(9) “Pregnant”, the human female reproductive condition of having a live unborn human being within her body throughout the entire embryonic and fetal ages of the unborn child from fertilization to full gestation and child birth;

[(6)] (10) “Unborn child”, the offspring of human beings from the moment of conception until birth and at every stage of its biological development, including the human conceptus, zygote, morula, blastocyst, embryo, and fetus;

[(7)] (11) “Viability”, that stage of fetal development when the life of the unborn child may be continued indefinitely outside the womb by natural or artificial life-supportive systems.

188.039. 1. [For purposes of this section, “medical emergency” means a condition which, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create a serious risk of substantial and irreversible impairment of a major bodily function.

2.] Except in the case of medical emergency, no person shall perform or induce an abortion unless at least twenty-four hours prior thereto a treating physician has conferred with the patient and discussed with her the indicators and contraindicators, and risk factors including any physical, psychological, or situational factors for the proposed procedure and the use of medications, including but not limited to mifepristone, in light of her medical history and medical condition. For an abortion performed or an abortion induced by a drug or drugs, such conference shall take place at least twenty-four hours prior to the writing or communication of the first prescription for such drug or drugs in connection with inducing an abortion. Only one such conference shall be required for each abortion.

[3.] 2. The patient shall be evaluated by a treating physician during the conference for indicators and contraindicators, risk factors including any physical, psychological, or situational factors which would predispose the patient to or increase the risk of experiencing one or more adverse physical, emotional, or other health reactions to the proposed procedure or drug or drugs in either the short or long term as compared with women who do not possess such risk factors.

[4.] 3. At the end of the conference, and if the woman chooses to proceed with the abortion, a treating physician shall sign and shall cause the patient to sign a written statement that the woman gave her informed consent freely and without coercion after the physician had discussed with her the indicators and contraindicators, and risk factors, including any physical, psychological, or situational factors. All such executed statements shall be maintained as part of the patient's medical file, subject to the confidentiality laws and rules of this state.

[5.] 4. The director of the department of health and senior services shall disseminate a model form that physicians may use as the written statement

required by this section, but any lack or unavailability of such a model form shall not affect the duties of the physician set forth in subsections [2 to 4] **1 to 3** of this section.”; and

Further amend said bill and page, section 188.075, line 13, by inserting immediately after said line the following:

“188.275. 1. Sections 188.275 to 188.281 shall be known as the “Unborn Child Pain Prevention Act”.

2. Except in the case of a medical emergency, at least twenty-four hours before an abortion is performed on an unborn child whose probable gestation age is twenty weeks or more, the treating physician performing the abortion shall inform the pregnant woman that she has the right to review the printed materials described in section 188.281.

3. The treating physician shall inform the pregnant woman that the materials have been provided by the state of Missouri and they contain information on pain in relation to the unborn child.

4. If the pregnant woman chooses to view the materials other than on the Internet website, the materials shall either:

(1) Be given to her at least twenty-four hours before the abortion; or

(2) Mailed to her at least seventy-two hours before the abortion by certified mail, restricted delivery to addressee, so that the postal employee may deliver the mail only to the pregnant woman.

5. The pregnant woman shall certify in writing before the abortion that:

(1) The information described in subsection 2 of this section has been furnished her; and

(2) She has been informed of her opportunity to review the printed material described in section 188.281.

6. Before the abortion is performed, the treating physician who is to perform the abortion shall:

(1) Obtain a copy of the written certification required under subsection 5 of this section; and

(2) Retain it on file with the woman's medical record for at least three years following the date of receipt.

188.278. 1. Except in the case of a medical emergency, before an abortion is performed on an unborn child whose probable gestational age is twenty weeks or more, the treating physician performing the abortion shall inform the pregnant woman:

(1) Whether an anesthetic or analgesic would eliminate or alleviate organic pain to the unborn child that could be caused by the particular method of abortion to be employed; and

(2) Of the particular medical risks associated with the particular anesthetic or analgesic.

2. After presenting the information required in subsection 1 of this section and with the consent of the pregnant woman, the treating physician shall administer the anesthetic or analgesic.

188.281. 1. Within ninety days after the effective date of sections 188.275 to 188.281, the department of health and senior services shall publish printed materials with the following statement concerning unborn children of twenty weeks gestational age or more:

“By twenty weeks gestation, the unborn child has the physical structures necessary to experience pain. There is evidence that by twenty weeks gestation unborn children seek to evade certain stimuli in a manner that in an infant or an adult would be

interpreted to be a response to pain. Anesthesia is routinely administered to unborn children who are twenty weeks gestational age or more who undergo prenatal surgery.”

2. The materials shall be objective, nonjudgmental, and designed to convey only accurate scientific information about the human fetus at the various gestational ages.

3. The department shall make the materials available on the department's website.

4. The materials referred to in this section shall be printed in a typeface large enough to be clearly legible.

5. Upon request, the department shall make available to any person, facility, or hospital the materials required under this section. The department shall have the discretion to determine the appropriate cost and number of materials given.

6. The department of health and senior services shall include on its Internet website the information described in this section.

7. No information regarding persons who use the website shall be collected or maintained.

8. The department shall monitor the website on a daily basis to prevent and correct tampering.”; and

Further amend the title and enacting clause accordingly.

Senator Callahan moved that the above amendment be adopted and requested a roll call vote be taken. He was joined in his request by Senators Justus, Kennedy, Shoemyer and Smith.
