Sen. Frank Barnitz Meets with Bellflower Elementary School Students

JEFFERSON CITY – Sen. Frank Barnitz, D-Lake Spring, met with a group of Bellflower Elementary students who made the trip to Jefferson City. The students were participating in Show-Me TechKnowledge Day on January 29th.

“I was pleased to meet with these students and enjoyed seeing their project on the Milky Way,” said Sen. Barnitz. “It is encouraging to see students using technology and who are excited about learning.”

Show-Me TechKnowledge Day is an event at the capitol designed to allow educators and students the chance to demonstrate how technology is being used in Missouri schools. With their teacher Janice Edgar, Ellie Griesbaur, Shelby Miles, Kale Bethel, and Emily Walton set up their project on the Milky Way in the Capitol Rotunda.
