Missouri Recycles Day Poster Contest Winners Visit the Capitol

JEFFERSON CITY – Sen. Frank Barnitz, D-Lake Spring, recently congratulated two members of the 16th District for winning the Missouri Recycles Day 2007 Poster Contest. Teachers of all grade levels challenged their students to submit entries, and more than 4,500 students from across Missouri participated.

“Recycling makes an important impact on our environment on a local, state, and national level,” said Sen. Barnitz. “I am pleased that these students were able to use their artistic skills to promote that message.”

Paige Oden, a first grader from Immaculate Conception, is the daughter of Vicki and Mike Oden of Montgomery City. She won second place in her age group for her design.

Emilie Hegerfeld, an eighth grader at St. George School, is the daughter of Scott and Amy Hegerfeld of Linn. She won second place in her age group for her design.
