Senator Bill Stouffer Announces Grant for Treatment Facility

JEFFERSON CITY – State Sen. Bill Stouffer, R-Napton, today announced that the Department of Economic Development’s Neighborhood Assistance Program (NAP) has approved \$350,000 in tax credits for Butterfield Youth Services.

“The folks at Butterfield Youth Services do great work,” said Sen. Stouffer. “They provide care for emotionally disturbed children who are in the state’s custody. This money will help them immensely.”

Funds from this NAP project will be directed to the construction of a new 7,700 square foot residential treatment facility for girls.
