Senator Bill Stouffer
Announces Tax Credits for Tutoring Service

JEFFERSON CITY – State Sen. Bill Stouffer, R-Napton, today announced that the Department of Economic Development’s Neighborhood Assistance Program (NAP) has approved \$258,519 in tax credits for Ann’s Educational Services, Inc., in Wellington.

“The folks at Ann’s Educational Services do great work,” said Sen. Stouffer. “They provide supplemental tutoring in math and English as well as GED tutoring.”

The tax credits from this NAP project will enable Ann’s Educational Services, Inc., to expand to two additional sites in Lafayette County. The Department of Economic Development provides tax credits for certain businesses, homes, and service agencies for rehabilitation or new construction. Any taxpayer who incurs appropriate costs for a new residence or rehabilitation project is eligible for tax credits up to a certain limit.

For more information, contact Sen. Stouffer at his Capitol office at (573) 751-1507 or toll free at (866) 768-3987.
