Sen. Jason Crowell Announces Appointment of Resident to Missouri Housing Development Commission

JEFFERSON CITY– Sen. Jason Crowell, R-Cape Girardeau, recently announced that the Senate has approved the nomination of S. Cale Bradford of Perryville to the Missouri Housing Development Commission. The 10-member panel helps increase the supply of housing for low and moderate income individuals and families. A graduate of University of Missouri-St. Louis, Bradford is the Executive Vice President/Chief Operating Officer of Pyramid Home Health Services.

“As a member of the Missouri Housing Development Commission, I know Mr. Bradford will work hard to make sure that Missouri’s neediest are helped,” said Sen. Crowell. “His vast experience operating, managing, and overseeing health service providers will be a great help to the commission.”

The members of many state commissions and boards are appointed by the governor. Gubernatorial appointees then work with their state senator, who serves as a sponsor of the nominee in the confirmation process, which begins before the Senate’s appointments committee and concludes with a consenting vote by the full Senate. Bradford’s appointment was approved by the Senate panel on January 23; and the full Senate gave its consenting vote on January 24.
