# Sen. Jason Crowell Welcomes Students to the Capitol

---

JEFFERSON CITY – Sen. Jason Crowell, R-Cape Girardeau, recently welcomed several groups of students to the Capitol for a visit. Sen. Crowell regularly hosts tours for students to talk to them about his role in the Senate and the legislative process.

“I really enjoy talking to students because they are enthusiastic about learning and always have good questions,” said Sen. Crowell. “I like having visitors and appreciate every class that makes the trip to our state’s Capitol.”
