# Sen. Jason Crowell Welcomes Cape Girardeau Students

JEFFERSON CITY – Sen. Jason Crowell, R-Cape Girardeau, recently welcomed two groups of students from Cape Girardeau to the Capitol for a visit. Sen. Crowell regularly hosts tours for students to talk to them about his role in the Senate and the legislative process.

“You never know which of these students might some day be representing Southeast Missouri in Missouri’s government,” said Sen. Crowell. “I am always pleased to share my experiences in Jefferson City with these classes, and I hope that some of these students decide to pursue public service in the future.”
