Sen. Jason Crowell Recognizes Scott City's Championship Baseball Team

JEFFERSON CITY– Sen. Jason Crowell, R-Cape Girardeau, yesterday (8/6) applauded the efforts of the Scott City Rams baseball team, who recently won the Class 2 state championship. Sen. Crowell presented the team with a unanimously passed Senate resolution.

“These young men have proven themselves as a team and as individuals, both on the field and off,” Sen. Crowell said. “I am pleased to be able to personally present this resolution and deliver my congratulations on their accomplishment.”

The team earned the title of Class 2 state champion in a 13-3, six-inning victory in Springfield this May. This was the school’s first state-level first place trophy in any sport.

The championship team featured players Josh Henson, Justin Modglin, Skylar Cobb, Shae Simmons, Austin Brawley, Austin Raines, Zach Pobst, Caleb Gray, Jake Campbell, Cody Page, Cody Carlyle, Chris Limbaugh, Clayton Hall, Ryan Modglin, Jamie Scholz, Jaris Hye, and Tyler Morrison. The team was led by head coach Lance Amich; assistant coaches Lynn Ward, Cody Bova, Seth Ward; and manager Chris Whites.

The resolution was presented at an awards ceremony for the team at Scott City Elementary School.

“A successful team requires the dedication of the players, as well as the commitment of coaches and the support of parents and friends,” said Sen. Crowell. “I thank all of you for providing your continuing encouragement to this team.”
