Sen. Delbert Scott Re-elected to Leadership Position

JEFFERSON CITY – Senator Delbert Scott, R-Lowry City, today was unanimously re-elected by his peers to serve as Secretary of the Missouri Senate Majority Caucus.

“Senator Scott is the steady voice of reason that guides our caucus to always do the right things for the right reasons on behalf of the people of Missouri,” presumptive Senate Leader Charlie Shields, R-St. Joseph, said. “We are fortunate to continue to benefit from this veteran public servant.”

Senator Scott was re-elected to his position in a party caucus held in the state Capitol following last Tuesday’s General Election. It is the third time Sen. Scott has served in this two-year leadership position since he was elected to the Senate in 2002.

“I am very pleased to again be chosen by my colleagues for this important leadership position,” Sen. Scott said. “The legislative session is just two months away, and I look forward to working with the other leaders of my party in drafting and passing legislation that improves the lives of all Missourians.”

The First Regular session of the 95th General Assembly will convene in Jefferson City on Jan. 7.
