Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 385.050, RSMo, is repealed and one new section
2 enacted in lieu thereof, to be known as section 385.050, to read as follows:

385.050. 1. Any insurer may revise its schedules of premium rates from
2 time to time and shall file the revised schedules with the director. No insurer

5 schedules of the insurer as then approved by the director.

6 2. Each individual policy or group certificate shall provide that in the
7 event of termination of the insurance prior to the scheduled maturity date of the
8 indebtedness, any refund of an amount paid by the debtor for insurance shall be
9 paid or credited promptly to the person entitled thereto; provided, however, that
10 no refund of less than one dollar need be made. The formula to be used in
11 computing the refund shall be the actuarial method of calculating refunds which
12 produces a refund equal to the original premium multiplied by the ratio of the
13 sum of the remaining insured balances divided by the sum of the original insured
14 balances [as of the due date nearest the date of prepayment in full]. **In**
15 **determining the number of months for which a premium is earned, the**
16 **first month's premium may be considered as earned on the first day of**
17 **coverage and for all successive months' premiums, on the coverage**
18 **anniversary date in each successive month.**

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

19 3. If a creditor requires a debtor to make any payment for credit life
20 insurance or credit accident and sickness insurance and an individual policy or
21 group certificate of insurance is not issued, the creditor shall immediately give
22 written notice to the debtor and shall promptly make an appropriate credit to the
23 account.

24 4. The amount charged to a debtor for any credit life or credit accident
25 and sickness insurance shall not exceed the premiums charged by the insurer, as
26 computed at the time the charge to the debtor is determined.
