 247.160. 1. Whenever all or any part of the territory of any public water
2 supply district organized under sections 247.010 to 247.220 is or has been

8 or equipment located within such annexed area to such municipality and such
9 contract shall also provide for the detachment and exclusion from such public
10 water supply district of that part thereof located within the corporate limits of
11 such city; provided, that in case of sale or conveyance, all bonds of the district,
12 whether general obligation bonds constituting a lien on the property located
13 within the district, or special obligation or revenue bonds constituting a lien on
14 the income and revenues arising from the operation of the water system:

15 (1) Are paid in full, or

16 (2) A sum sufficient to pay all of such bonds together with interest
17 accrued or to accrue thereon, together with other items of expense provided in
18 such bonds, is deposited with the fiscal agent named in the bonds for the purpose
19 of full payment, or

20 (3) Such city has entered into a firm commitment to pay in lump sum or
21 installments not less than that proportion of the sum of all existing liquidated

22 obligations and of all unpaid revenue bonds, with interest thereon to date, of such
23 public water supply district, as the assessed valuation of the real and tangible
24 personal property within the area annexed bears to the assessed valuation of all
25 the real and tangible personal property within the entire area of such district,
26 according to the official county assessment of such property as to December
27 thirty-first of the calendar year next preceding, or

28 (4) Consent in writing is obtained from the holders of all such bonds.

29 2. In any such case in which the board of directors by agreement, leases,
30 contracts to sell, sells or conveys the property of the district within the annexed

42 three weeks consecutively, in a newspaper published in the county in which the
43 application is pending, the last publication to be not more than [five] **seven** days
44 before the date set for hearing.

45 4. If the court finds that the agreement protects the bondholders' rights
46 and provides for the rendering of necessary water service in the territory
47 embracing the district, then such agreement shall be fully effective upon approval
48 by the court. Such decree shall also thereupon vest in said city the absolute title,
49 free and clear of all liens or encumbrances of every kind and character, to all
50 tangible real and personal property of such public water supply district located
51 within the part of such district situated within the corporate limits of such city,
52 with full power in such city to use and dispose of such tangible real and personal
53 property as it deems best in the public interest. **In the event that territory**
54 **is detached and excluded from the district, the court shall include in**
55 **its decree a description of the district after such detachment. If a**
56 **detachment of territory is made, the court shall also make any changes**
57 **in subdistrict boundary lines the court deems necessary to meet the**

58 requirements of sections 247.010 to 247.227. No subdistrict changes
59 shall become effective until the next annual election of the board of
60 directors.

61 5. In the event that territory is detached and excluded from the
62 district, a certified copy of the court's order shall be filed by the circuit
63 clerk in the office of the recorder of deeds, in the office of the county
64 clerk in each county in which any of the territory of the district before

66 state. Costs of the proceeding shall be borne by the petitioner or
