

SECOND REGULAR SESSION
[TRULY AGREED TO AND FINALLY PASSED]
SENATE SUBSTITUTE FOR
SENATE COMMITTEE SUBSTITUTE FOR

SENATE BILL NO. 768

94TH GENERAL ASSEMBLY

2008

3524S.08T

AN ACT

To amend chapter 633, RSMo, by adding thereto two new sections relating to autism spectrum disorders as addressed by the department of mental health.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 633, RSMo, is amended by adding thereto two new sections, to be known as sections 633.200 and 633.225, to read as follows:

633.200. 1. For purposes of this section, the term "autism spectrum disorder" shall be defined as in standard diagnostic criteria for pervasive developmental disorder, to include autistic disorder; Asperger's syndrome; pervasive developmental disorder-not otherwise specified; childhood disintegrative disorder; and Rett's syndrome.

2. There is hereby created the "Missouri Commission on Autism Spectrum Disorders" to be housed within the department of mental health. The department of mental health shall provide technical and administrative support as required by the commission. The commission shall meet on at least four occasions annually, including at least two occasions before the end of December of the first year the committee is fully established. The commission may hold meetings by telephone or video conference. The commission shall advise and make recommendations to the governor, general assembly, and relevant state agencies regarding matters concerning all state levels of autism spectrum disorder services, including healthcare, education, and other adult and adolescent services.

3. The commission shall be composed of twenty-four members, consisting of the following:

20 (1) Four members of the general assembly, with two members
21 from the senate and two members from the house of
22 representatives. The president pro tem of the senate shall appoint one
23 member from the senate and the minority leader of the senate shall
24 appoint one member from the senate. The speaker of the house shall
25 appoint one member from the house of representatives and the
26 minority leader of the house shall appoint one member from the house
27 of representatives;

28 (2) The director of the department of mental health, or his or her
29 designee;

30 (3) The commissioner of the department of elementary and
31 secondary education, or his or her designee;

32 (4) The director of the department of health and senior services,
33 or his or her designee;

34 (5) The director of the department of public safety, or his or her
35 designee;

36 (6) The commissioner of the department of higher education, or
37 his or her designee;

38 (7) The director of the department of social services, or his or
39 her designee;

40 (8) The director of the department of insurance, financial
41 institutions and professional registration, or his or her designee;

42 (9) Two representatives from different institutions of higher
43 learning located in Missouri;

44 (10) An individual employed as a director of special education at
45 a school district located in Missouri;

46 (11) A speech and language pathologist;

47 (12) A diagnostician;

48 (13) A mental health provider;

49 (14) A primary care physician;

50 (15) Two parents of individuals with autism spectrum disorder,
51 including one parent of an individual under the age of eighteen and
52 one parent of an individual over the age of eighteen;

53 (16) Two individuals with autism spectrum disorder;

54 (17) A representative from an independent private provider or
55 non-profit provider or organization;

56 (18) A member of a county developmental disability board.

57 The members of the commission, other than the members from the
58 general assembly and ex-officio members, shall be appointed by the
59 governor with the advice and consent of the senate. A chair of the
60 commission shall be selected by the members of the commission. Of the
61 members first appointed to the commission by the governor, half shall
62 serve a term of four years and half shall serve a term of two years, and
63 thereafter, members shall serve a term of four years. Members shall
64 continue to serve until their successor is duly appointed and
65 qualified. Any vacancy on the commission shall be filled in the same
66 manner as the original appointment. Members shall serve on the
67 commission without compensation but may be reimbursed for their
68 actual and necessary expenses from moneys appropriated to the
69 department of mental health.

70 4. The members of the commission shall consist of a broad
71 representation of Missouri citizens, both urban and rural, who are
72 concerned with the health and quality of life for individuals with
73 autism spectrum disorder.

74 5. The commission shall make recommendations for developing
75 a comprehensive statewide plan for an integrated system of training,
76 treatment, and services for individuals of all ages with autism spectrum
77 disorder. By July 1, 2009, the commission shall issue preliminary
78 findings and recommendations to the general assembly.

79 6. In preparing the state plan, the commission shall specifically
80 perform the following responsibilities and report on them accordingly,
81 in conjunction with state agencies and the Office of Autism Services:

82 (1) Study and report on the means for developing a
83 comprehensive, coordinated system of care delivery across the state to
84 address the increased and increasing presence of autism spectrum
85 disorder and ensure that resources are created, well-utilized, and
86 appropriately spread across the state;

87 (a) Determine the need for the creation of additional centers for
88 diagnostic excellence in designated sectors of the state, which could
89 provide clinical services, including assessment, diagnoses, and
90 treatment of patients;

91 (b) Plan for effectively evaluating regional service areas
92 throughout the state and their capacity, including outlining personnel
93 and skills that exist within the service area, other capabilities that

94 exist, and resource needs that may be unmet;

95 (c) Assess the need for additional behavioral intervention
96 capabilities and, as necessary, the means for expanding those
97 capabilities in a regional service area;

98 (d) Develop recommendations for expanding these services in
99 conjunction with hospitals after considering the resources that exist in
100 terms of specialty clinics and hospitals, and hospital inpatient care
101 capabilities;

102 (2) Conduct an assessment of the need for coordinated, enhanced
103 and targeted special education capabilities within each region of the
104 state;

105 (3) Develop a recommendation for enlisting appropriate
106 universities and colleges to ensure support and collaboration in
107 developing certification or degree programs for students specializing
108 in autism spectrum disorder intervention. This may include degree
109 programs in education, special education, social work, and psychology;
110 and

111 (4) Other responsibilities may include but not be limited to:

112 (a) Provide recommendations regarding training programs and
113 the content of training programs being developed;

114 (b) Recommend individuals to participate in a committee of
115 major stakeholders charged with developing screening, diagnostic,
116 assessment, and treatment standards for Missouri;

117 (c) Participate in recommending a panel of qualified
118 professionals and experts to review existing models of evidence-based
119 educational practices for adaptation specific to Missouri;

120 (d) Examine the barriers to accurate information of the
121 prevalence of individuals with autism spectrum disorder across the
122 state and recommend a process for accurate reporting of demographic
123 data;

124 (e) Explore the need for the creation of interagency councils and
125 evaluation of current councils to ensure a comprehensive, coordinated
126 system of care for all individuals with autism spectrum disorder;

127 (f) Study or explore other developmental delay disorders and
128 genetic conditions known to be associated with autism, including
129 fragile X syndrome; Sotos syndrome; Angelman syndrome; and tuberous
130 sclerosis.

633.225. 1. There is hereby established in the department of
2 mental health within the division of mental retardation and
3 developmental disabilities, an "Office of Autism Services". The office of
4 autism services, under the supervision of the director of the division of
5 mental retardation and developmental disabilities, shall provide
6 leadership in program development for children and adults with autism
7 spectrum disorders, to include establishment of program standards and
8 coordination of program capacity.

9 2. For purposes of this section, the term "autism spectrum
10 disorder" shall be defined as in standard diagnostic criteria for
11 pervasive developmental disorder, to include: autistic disorder;
12 Asperger's syndrome; pervasive developmental disorder-not otherwise
13 specified; childhood disintegrative disorder; and Rett's syndrome.
