22ND DISTRICT

*Dear Friends,*

*The first regular session of the 95th General Assembly concluded on May 15th. Throughout the year, I work hard to represent the interests of Northern Jefferson County, and I thank you for the opportunity to serve you.*

*In my 2009 Community Services Directory, you will find information on the many resources available to Missourians through state and local agencies. I hope that you will find it to be a quick and easy reference for locating city, county, state, and federal contact information for your reference and convenience.*

*I have also included a brief legislative review to let you know about the work completed by the General Assembly this year.*

*If you need additional information or have additional questions or comments, please contact me. Your concerns are important to me, and my door is always open.*

*Thank you,*

## Affordable Healthcare

This year, we worked to pass the Show-Me Healthcare Plan, an initiative that would have partnered the state and the private sector to provide health coverage to low-income Missourians. I supported the measure because it would have provided coverage to 35,000 participants, without costing the state. The plan would have been funded by a new federal draw-down on existing tax dollars that currently go to pay hospitals for the care of the uninsured.

While the Senate worked hard to complete work on this legislation, it stalled when it reached the House. It is my hope that we can complete our work next session to provide affordable healthcare to more Missourians.

*Sen. McKenna (right) speaks with Sen. Tom Dempsey (R- St. Charles), the sponsor of the Show-Me Healthcare plan this year.*

## Honoring Local Heroes

Twelve individuals or groups were chosen this year by a panel of judges to appear in the Missouri Unsung Hero Calendar produced by the Missouri Senate. Sen. McKenna nominated two local heroes for the calendar. Private First Class Andy Habsieger and Army Staff Sgt. Brandon Wallace were both killed while fighting overseas. Sen. McKenna recognized both individuals and their families on the Senate floor.
