## **Sen. Frank Barnitz Announces Community Development Block Grant for Newburg**

JEFFERSON CITY – Sen. Frank Barnitz, D-Lake Spring, today announced that the Department of Economic Development has awarded a \$50,000 Community Development Block Grant (CDBG) to Newburg.

The grant will assist the city by covering the cost of engineering plans and specifications for an upcoming water systems improvement project.

The CDBG program offers grants to small Missouri communities to improve local facilities, address critical health and safety concerns, and develop a greater capacity for growth.

“This program helps improve the quality of life for the residents of our smaller communities,” said Sen. Barnitz. “I commend the city for taking these efforts to better the community, and I am confident the project will be successful.”
