Senator Kurt Schaefer Appointed to Joint Committee on Education

JEFFERSON CITY – State Senator Kurt Schaefer has been appointed to serve on the Joint Committee on Education. Among other things, the committee reviews and monitors the progress of education in the state's public schools and colleges, receives reports from various commissioners on the issues and status of the education system, and reports to the General Assembly for legislative action.

“Our students represent our future,” Sen. Schaefer said. “I am honored to be selected to serve on this important committee, and we are committed to improving education at all levels across the state.”

This committee is comprised of seven members of the Senate and seven members of the House of Representatives from both political parties. A list of committee members and a committee schedule can be found on the Missouri Senate website www.senate.mo.gov by clicking on *committees*, then on *statutory committees*.

As always, should you have any questions or concerns about any facet of the Missouri Legislature, please feel free to contact Sen. Schaefer’s office. He and his staff will be happy to assist you and answer your questions.
