FOR IMMEDIATE RELEASE

July 14, 2009

Legislative Committee Preparing to Review Projects for Potential Federal Stabilization Funding *Sen. Kurt Schaefer Calls Attention to Aug. 1 Deadline for Submitting Projects for Consideration*

JEFFERSON CITY – Senator Kurt Schaefer is announcing the Joint Committee on Capital Improvements and Leasing Oversight is in the process of compiling and reviewing a list of statewide projects for consideration of potential federal stabilization funding.

The Joint Committee on Capital Improvements and Leasing Oversight has created a list of criteria for reviewing projects, providing additional uncommitted federal budget stabilization funding become available.

The following is a list of criteria for submitted projects:

New Construction/Renovation of State & Educational (state colleges and universities) Facilities

- Legal obligation/federal mandate/state legislation or regulation/court ruling/expansion of mission/etc.
- Economic impact (including job creation, permanent or temporary, non state employees)
- Urgency of need (condition of current facility, service to the public, safety & wellbeing concerns)
- Funding needs (matching funds available, prior funding, amount needed, does entity have outside funding streams)
- Previously appropriated state projects
- Time frame of project (when can project begin, when will project be completed)

Public Transportation (no roadways, no intersections, no sidewalks)

- Urgency of need (service to the public)
- Economic impact (including job creation, permanent or temporary, non state employees)
- Funding needs (matching funds available, prior funding, amount needed, does entity have outside funding streams)

Technology Infrastructure (state computer needs, state programming needs, state software needs)

- Urgency of need (condition of current systems, service to the public, security concerns)
- Funding needs (matching funds available, prior funding, amount needed)
- Impact on operating costs (personnel, fuel and utilities)

Other one-time funding uses

- Legal obligation/federal mandate/state legislation or regulation/court ruling/expansion of mission/etc.
- Economic impact (including job creation, permanent or temporary, non state employees)
- Urgency of need (condition of current facility, service to the public)
- Funding needs (matching funds available, prior funding, amount needed, does entity have outside funding streams)
- Overall Cost/Benefit analysis
- Previously appropriated state projects
- Time frame of project (when can project begin, when will project be completed)

“There will likely be more projects submitted than potential federal funding, but we want to encourage everyone to submit their project proposals for consideration,” Sen. Schaefer said.

Organizations with projects that may qualify are requested to submit a brief project description (no more than 1 page), along with the timeline for completion and contact information before Aug. 1 to: Joint Committee on Capital Improvements and Leasing Oversight, Room 503, State Capitol, Jefferson City, MO 65101. Or, submissions may be faxed to 573-751-9811 or sent via email to agiddings@senate.mo.gov or Julie.morff@senate.mo.gov.

Submissions received after Aug. 1 cannot be considered.
